Agricultural Fee Schedule - Effective January 9, 2014

Marin County Department of Agriculture, Weights & Measures

Direct Marketing Fees

A Market Manager's total fees consist of: one fee for devices oversight ($120) plus a second tiered fee for each market under their control. The tiered fee is based on the number of certified producers selling at each market. **Example**: You manage two markets, one with 5 producers and one with 11. Your total fees are: one devices oversight fee ($120) plus a fee for each market you manage (based on the fees in the table below). In this example, the fees are for markets with 5 producers ($225) and 11 producers ($350), so your total bill is $695.
