RE: response to Marin County Grand Jury Report: *Retiree Health Care Costs: I Think I'm Gonna Be Sick*

Dear Sirs:

The Marin County Fire Department operates under the direction of the Marin County Board of Supervisors. We do not have a separate board governing our department or its functions in any capacity. As a result we were advised by the County Administrator's Office we would be included as a respondent in a letter sent by their office and approved by the Marin County Board of Supervisors on June 19, 2007.

For your convenieince we have included a copy of the response to the Grand Jury's findings regarding Retiree Health care Costs. If you require further clarification that would be department specific, please do not hesitate to contact us. We appreciate the time and effort you dedicate to your work with the Marin County Civil Grand Jury and look forward to being able to help you in any way possible.

Sincerely,

Kenneth Massucco
Fire Chief
