GENERAL PLAN AMENDMENTS & REZONE
NOTICE OF DETERMINATION – PROJECT DESCRIPTION

On January 23, 2024, the Novato City Council adopted an addendum (“Addendum”) to the certified environmental impact report for Novato General Plan 2035 (SCH# 2016122043). The Addendum analyzed the City initiated proposal to: a) amend the land use map of Novato General Plan 2035 to assign the High Density Multiple Family Residential (R20) and Open Space (OS) land use designations to the property at 773, 775, and 777 San Marin Drive (APNs 125-202-03, -04, -05); b) modify the text of General Plan 2035 to reflect future residential redevelopment of the property with detached single-family dwellings, townhomes, and apartments; and c) adopt the 773, 775, and 777 San Marin Master Plan and Precise Development Plan (representing a rezone of the property) providing objective land use, development, and design standards regulating future residential development of the subject property with 1,000 to 1,300 primary dwelling units.

Pursuant California Code of Regulation 14, §753.5(e)(3), this Notice of Determination filing is not subject to the California Department of Fish and Wildlife (CDFW) environmental document fee. 14 CCR §753.5(e)(3) stipulates that only one fee is required when an existing certified EIR is used for multiple project approvals that would result in no additional effect to fish and wildlife. This Notice of Determination does not required the CDFW fee because the approval relies on an addendum to the certified EIR for Novato General Plan 2035 (State Clearinghouse No. 2016122043). The Notice of Determination for the EIR for Novato General Plan 2035 was filed on October 28, 2020, and the CDFW environmental document fees were paid at that time. See attached stamped Notice of Determination and the receipt of fees paid.
