THIRD-PARTY SERVICES APPLICATION V 5-23-22 2P2S

Date of request: _____ **Approved by:** _____ **Fee discount applied:** _____

Third-Party Services is a private service option CDA-Building & Safety allows that may be used by a permit applicant seeking swifter service than our normal plan review and/or inspection process can accommodate. Third-Party Service providers must be approved by the Building Official. **Additional fees and coordination will be required between the permit applicant and the third-party service provider. However, a reduction in County plan review and/or inspection fees may sometimes be applied by the Building Official to help offset third party charges.** Smaller projects may not realize a time savings when choosing this option.

I wish to contract with the following private *plan reviewer*:

I wish to contract with the following private *inspector*:

Permit applicant (print): _____ Telephone: _____

Email address: _____

By initialing and signing the following, the permit applicant understands and agrees to each of the following:

_____ I understand that the private plan reviewer must complete his or her review and approve the plans before Marin County staff will begin their review. In addition, all revisions to previously reviewed plans must be approved by the private plan reviewer before Marin County staff will review them.

_____ I understand that the Planning Division will not evaluate my project before the private plan reviewer evaluates the plans. The Planning Division will only review the project after the private plan reviewer has completed his or her evaluation.

_____ I understand that if a planning permit is required, this carries with it a high degree of uncertainty and risk, and that I will be responsible for bearing the additional cost and time associated with the planning process. The planning process is expensive and time consuming and may result in substantial modifications to the project or denial of the project.

_____ I understand that all plan revisions must be clouded, that a list of changes must be provided on each revised sheet, and that each revised sheet must have the correct revision date.

_____ I understand other County Agency approvals and/or inspections may still be required.

_____ I understand 2 sets of plans/documents may be required by a private plan review agency. When private plan check is completed, I will submit **3** (paper) sets of approved stamped plans/documents from the private plan reviewer, or upload stamped approved (.Pdf) plans, to the Building Department. I understand Planning, Land Development, Fire and/or Environmental Health may each require their own plan review and/or inspections for my project.

_____ I understand and agree the County's fees *may or may not be reduced* because of my election to seek third-party services for this permit application. I understand I will also compensate the private plan reviewer and/or private inspector for their services directly.

_____ I understand substantial changes, or deferred submittals, after issuance of the building permit, shall be reviewed by the same private plan reviewer, paid for directly by the permit applicant and may require additional County approvals and/or fees.

_____ I understand and agree this application is elective and purely voluntary, and by willingly choosing to participate in this alternative plan review and/or inspection option I agree to save, indemnify, and keep harmless the County of Marin against liabilities, judgments, costs, and expenses which may in any way accrue against said County in consequence of granting this application.
