**Notice of Comment Period and Board of Supervisors Hearing for
Proposed 2022 Annual Funding Allocation**

The **County of Marin Consolidated Plan for Fiscal Years 2020-24** (Consolidated Plan) is a planning and budgeting report mandated by the U.S. Department of Housing and Urban Development (HUD) for entitlement communities. The Plan describes the affordable housing and priority non-housing community development needs of extremely low- to moderate-income persons in the County, and sets forth priorities and strategies for meeting these needs. The Consolidated Plan includes an annual Action Plan for each year of the 5-year period. The third-year Action Plan serves as the Fiscal Year 2022 budget for the use of Federal Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) funds. The County of Marin is required to amend the Consolidated Plan Action Plan annually to reflect each new program year's budget for CDBG and HOME funds. The County is also required to update the Consolidated Plan with new affordable housing and priority non-housing community needs data as it becomes available, and to address public comments received during the public hearings and the comment period.

The proposed budgets for the use of Fiscal Year 2022 CDBG and HOME Program funds will be presented in the 2022 Annual Action Plan. All activities recommended for funding are consistent with the County's priorities as reported in the Consolidated Plan.

This notice is to inform the public and all relevant parties that a **30-day comment period will open on Monday, April 11th, 2022**. To access the Draft Consolidated Plan, visit www.marincounty.org/federalgrants.

NOTICE IS ALSO HEREBY GIVEN that Federal funding allocations for the CDBG and HOME programs for the 2022-23 fiscal year will be voted on by the Marin County Board of Supervisors. All interested parties are encouraged to attend the following meeting:
