7:05. Archdiocese of San Francisco (Marin Catholic) Temporary Use Permit (Sihakom)

The applicant requests a Temporary Use Permit approval to allow the use of a temporary lighting system on Marin Catholic High School's outdoor football field during evening weekday football practice for a period commencing November 2, 2020 (coinciding with the end of daylight savings time) and ending no later than March 12, 2021. The lighting system is comprised of four 30-foot high mobile gas-powered light towers (Wanco Vertical-Mast Light Towers) placed at 90-foot intervals along the northeastern edge of the field area. Each tower supports an array of four elliptical light fixtures. Use of the lighting system is proposed to occur on weekdays (Monday through Friday) from 5:00 pm to 7:00 pm.

Temporary Use Permit approval is required to permit use of an outdoor lighting system that facilitates expanded use of the existing Marin Catholic High School football field.
