1. **Review and approve draft letter to Planning Commission** regarding O'Donnell Financial Group Master Plan Amendment, Design Review, and Mitigated Negative Declaration, 150 Shoreline Hwy. Mill Valley, AP# 052-371-03.

The Planning Commission will hear this application at their scheduled meeting on September 9, 2021. TDRB ruled it incomplete on November 21, 2020. We are informed that for technical and/or legal reasons the project will not come back to us for review. As our minutes do not fully describe how we might have ruled on the project we propose therefore to send a letter to the Planning Commission informing them of the history of the application and making recommendations. How should the board respond to the Planning Commission hearing? Should we designate a representative of the board to attend the hearing?

2. **Review letter from Michelle Levenson regarding referral procedures and noticing deadlines.** Discuss how the recommended procedures can be implemented by the board and prepare a response if one is deemed appropriate.

Alan Jones is inviting you to a scheduled Zoom meeting.
