**ARGUMENT IN FAVOR OF MEASURE A**

The median strip landscaping on Meriam Drive was originally planted by the developer of the Northbridge Subdivision. County Service Area No. 9 (CSA 9) was established to provide funds for maintenance of the landscaping. With the passage of Proposition 13 in 1978, CSA 9 no longer raised funds for this purpose. Some funds at a much reduced level have been made available from the County general fund. With the passage of time, however, much of the landscaping has deteriorated and inflation has increased the costs of maintenance beyond the funding available.

The Northbridge Marinites, Inc. homeowners association Board of Directors proposes a special tax to upgrade the median strip landscaping and provide funds in addition to the County general fund contribution for adequate maintenance. The Board of Directors is unanimous in its support of this ballot measure.
