ARGUMENT IN FAVOR OF MEASURE H

- Measure H simply instructs the County of Marin to distribute to the Inverness Public Utility District the full amount of the District's statutory share of the property tax dollars collected from property owners within Inverness.
- Measure H has no effect on the tax rate. A YES VOTE WILL NOT RAISE TAXES, A NO VOTE WILL NOT REDUCE TAXES.
- A YES vote expresses our community's desire to set the District's tax-dollars spending limit so that it equals the amount of property taxes collected for the District.
- If Measure H is not adopted, a portion of local property tax dollars paid by Inverness property owners would be withheld and redistributed to other cities and special districts in Marin County.
- These revenues support Inverness fire protection, fire prevention, first-responder medical care, and disaster preparedness and response.
- Measure H expires automatically in 4 years and must then be resubmitted to the voters.

KEEP OUR TAX DOLLARS AT HOME. VOTE YES ON MEASURE H.
