WHEREAS, the Ross Valley School District (the "District") is devoted to maintaining the quality public education; and

WHEREAS, local property values within the District are related to the quality of education available in the District's public schools; and

WHEREAS, the State is an unreliable partner when it comes to funding education and funding for our District has been reduced substantially in the past several years, and future funding is projected to be even lower, and local property tax collections have declined this year, and will be inadequate to provide the level of support to the District's educational programs that the residents of the District expect and the students need; and

WHEREAS, stable local funding is needed to maintain our outstanding local schools; and

WHEREAS, the voters of the District previously authorized an education parcel tax which expires on June 30, 2014, and unless renewed by voters, will result in a substantial reduction of educational programs; and

WHEREAS, Article XIII A, Section 4 of the California Constitution and Sections 50075 *et seq.*, of the California Government Code permit a school district to renew a special education tax for specified purposes and to levy a core academic instruction parcel tax following approval by at least two-thirds of the voters voting upon the proposition; and

WHEREAS, the Board of Trustees (the "Board") of the District proposes to renew the existing levy of a core academic programs parcel tax upon parcels of land within the District for the purposes set forth in this Resolution; and WHEREAS, the Board desires to apply all the proceeds of the core academic programs parcel tax to the protection of student programs and not for administrator salaries or benefits; and

WHEREAS, the Board desires to seek a local core academic programs parcel tax because the revenues of such can only benefit local District schools and cannot be taken by the State of California or other school districts;

WHEREAS, the Board has conducted a public hearing in connection with the proposed election regarding the renewal of the core academic programs parcel tax prior to the adoption of this Resolution;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of the Ross Valley School District as follows:

Section 1. This Board finds and determines that the foregoing recitals are true and correct.

Section 2. This Board hereby proposes to renew and extend the levy of a core academic instruction parcel tax to provide local funding the State cannot take away, preserve high quality education, including:

- Maintain math and science programs.
- Maintain reading and writing programs;

- Maintain educationally sound class sizes for kindergarten through eighth grade;
- Maintain school libraries; and
- Attract and retain highly qualified teachers.

UNDER NO CIRCUMSTANCES SHALL ANY OF THE PROCEEDS OF THE CORE ACADEMIC PROGRAMS PARCEL TAX BE USED FOR ADMINISTRATORS' SALARIES AND BENEFITS.

Pursuant to Government Code Section 50075.1 the Board determines that the proceeds of the core academic instruction parcel tax shall only be applied for the purposes stated above.

Section 3. The existing core academic programs parcel tax which expires on June 30, 2014 shall be renewed for eight years from June 30, 2012 and increased by \$149, with annual 4% escalation adjustment, per year, assessed against each Parcel.

This core academic programs parcel tax renews, extends and replaces the qualified special parcel tax most recently approved by the voters in June 7, 2005.

As used herein, the term "Parcel" means any parcel of land which lies wholly or partially within the boundaries of the District, for which the Assessor/Tax Collector of Marin County, issues a separate tax bill for *ad valorem* property taxes; provided, however, that any such parcels which are (i) contiguous, and (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership, may, by annually submitting an application of the owners thereof by June 30 of any year to the Board be treated as a single parcel for purposes of the levy of this core academic programs parcel tax.

Section 4. Subject to voter approval as set forth below, the core academic programs parcel tax shall be levied commencing with the 2012-2013 fiscal year of the District, and shall be collected with, and in the same manner and subject to the same interest and penalties as, general *ad valorem* taxes collected by the Marin County Tax Collector. In accordance with the requirements of Government Code Section 50075.3, the District shall create a separate account into which the proceeds of the special tax shall be deposited.

Section 5. The levy and collection of the core academic programs parcel tax is not intended to decrease or offset any increase in local, state or federal government funding sources that would otherwise be available to the District at any time during which the parcel tax may be levied. In the event that the levy and collection of the core academic programs parcel tax does have such an effect, the District shall reduce the core academic programs parcel tax levy to the extent of any such decrease or offset. Additionally, any persons who are either (a) 65 years of age or older or (b) receiving Supplemental Security Income for a disability, regardless of age, and the owner of a Parcel used solely for owner-occupied, single-family residential purposes, may obtain an exemption from the levy of the core academic programs parcel tax, by submitting annually an application of such owners or persons, prior to June 30 of each year, to the District.

Section 6. The Board shall provide in each year (pur-

suant to Section 7902.1 of the Government Code) for any increase in the District's appropriation limit as shall be necessary to ensure that proceeds of the core academic programs parcel tax may be spent for the authorized purposes set forth in Section 2 above and Section 7 below.

ROSS VALLEY SCHOOL DISTRICT

Core Academic Programs Parcel Tax Measure A

INTRODUCTION AND PURPOSE

To provide local reliable funding for local schools that cannot be taken by the State, **protect programs which improve student performance in reading, writing, math and science, art and music instruction, attract and retain highly qualified teachers, maintain educationally sound class sizes and keep school libraries, with no proceeds used for administrative salaries and benefits**, the Ross Valley School District ("District") proposes to renew and increase its existing core academic programs parcel tax for a period of eight years from its current expiration date (June 30, 2014), increase the rate by \$149 to a total of \$458.66 per parcel per year and maintain the provisions for the annual 4% increase in the tax, beginning July 1, 2012, with an **exemption available for senior citizens** and recipients of SSI for a disability, and to implement strict accountability measure, to ensure the funds are used to:

- Maintain math and science programs;
- Maintain reading and writing programs;
- Maintain educationally sound class sizes for kindergarten through eighth grade;
- Maintain school libraries; and
- Attract and retain highly qualified teachers.

The proceeds of the core academic programs parcel tax shall be deposited into a separate account created by the District.

DEFINITION OF "PARCEL"

For purposes of the core academic programs parcel tax, the term "Parcel" means any parcel of land which lies wholly or partially within the boundaries of the Ross Valley School District, that receives a separate tax bill for *ad valorem* property taxes from the Marin County Assessor/Tax Collector. All property that is otherwise exempt from or upon which are levied no *ad valorem* property taxes in any year shall also be exempt from the core academic programs parcel tax in such year.

For purposes of this core academic programs parcel tax, any such "Parcels" which are (i) contiguous, and (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by submitting an application of the owners thereof by June 30 of each year to the District, be treated as a single "parcel" for purposes of the levy of the core academic programs parcel tax.

EXEMPTION FOR SENIORS AND SSI RECIPIENTS

Pursuant to California Government Code Section 50079 (b), any owners of a Parcel used solely for owner-occupied, single-family residential purposes and who are either (a) 65 years of age or older or (b) persons receiving Supplemental Security Income for a disability, regardless of age, may obtain an exemption from the core academic programs parcel tax by annually submitting an application therefore, by June 30 of each year, to the District.

With respect to all general property tax matters within its jurisdiction, the Marin County Assessor/Tax Collector, or other appropriate county tax officials shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the core academic programs parcel tax, including the Senior Citizens Exemption and the SSI Exemption and the classification of property for purposes of calculating the tax, the decisions of the District shall be final and binding.

REDUCTION IN TAX IF RESULT IS LESS OTHER GOVERNMENT SUPPORT

The collection of the core academic programs parcel tax is not intended to decrease or offset any increase in local, state or federal government revenue sources that would otherwise be available to the District during the period of the core academic programs parcel tax. In the event that the levy and collection does have such an effect, the District shall cease the levy or shall reduce the core academic programs parcel tax to the extent that such action would restore the amount of the decrease or offset in other revenues.

ACCOUNTABILITY MEASURES

In accordance with the requirements of California Government Code Sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the core academic programs parcel tax levied in accordance with this Measure: (a) the specific purposes of the core academic programs parcel tax shall be those purposes identified above; (b) the proceeds of the core academic programs parcel tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the core academic programs parcel tax must be deposited; and (d) an annual audit and an annual written report shall be made to the Board of Trustees of the District showing (i) the amount of funds collected and expended from the proceeds of the core academic programs parcel tax and (ii) the status of any projects or programs required or authorized to be funded from the proceeds of the core academic instruction parcel tax, as identified above.

ARGUMENT IN FAVOR OF MEASURE A

The Ross Valley School District provides students with an exceptional education emphasizing math, science, reading and writing, and the arts, preparing our children to succeed in life. The District's success in this regard has long been a point of pride for San Anselmo and Fairfax. Our community has supported our schools with a local parcel tax for over a decade.

During the past four years, the State of California has cut funding to our schools by more than 20 percent, threatening the District's ability to provide our children with the quality education we value so highly. As a result of these cuts, the District has come to rely even more heavily on local parcel tax revenues to make up the shortfall between State funding and the real cost of educating our children. Our local parcel tax is scheduled to expire.

Without the renewal of the existing parcel tax, our children would face a future of larger class sizes, significant cuts to educational programs and opportunities, and the erosion of the quality education that our community has come to expect. The need for this local funding is absolute and would not be diminished by Governor Brown's November ballot measure, which only seeks to avoid further State cuts.

Measure A revenues are dedicated solely and entirely to operating schools here in San Anselmo and Fairfax; are not subject to discretionary State funding cuts; are subject to an annual audit; will not be used for administrators' salaries; and represent an essential component of the District's annual operating budget.

By voting "yes" on Measure A, we can, at least in part, reduce the risk of having to lower the educational standards of our District. As always, seniors are eligible for an exemption. Please vote YES on A – for our kids, and for our community.
