STAFFORD LAKE BIKE PARK SITE VISIT AND WORKSHOP

SAN RAFAEL, CA. The Marin County Department of Parks and Open Space will host two events in the next week related to the proposed Stafford Lake Bike Park. On Saturday, March 19, at 1:30 p.m., staff will conduct a visit to the site of the proposed 14.1-acre area and review preliminary design plans. The site visit will take place at Stafford Lake County Park, 3549 Novato Boulevard, Novato. On Wednesday, March 23, at 7:30 p.m., staff will host a design workshop at the Margaret Todd Senior Center Community Room, 1560 Hill Road, Novato. Bike park consultants from Hilride and Marin County park planning staff will be available at both events to discuss the project and answer questions regarding the preliminary design and the planning process.

Hilride developed a feasibility study for the bike park and will develop a master plan for the facility. Following two public site visits and three public design workshops, the completed master plan will be considered by the Marin County Board of Supervisors in late spring or early summer 2011.

Stafford Lake County Park currently features picnic areas, group picnic facilities, a children's playground, fishing opportunities, and a disc golf course within the 139-acre park.
