

DAMON CONNOLLY

SUPERVISOR, DISTRICT 1

June, 2015

Dear Neighbors,

As part of my ongoing commitment to proactive, healthy lines of communication with constituents and information on what's happening in the district, I've developed a page on the County website laying out the key issues and my priorities as Marin County Supervisor representing District 1.

I hope you will take a moment to look over this page of issues and policies, read further and check out the links on the issues that you care about. We will be updating this page periodically as issues develop and as we make progress towards our goals. [CLICK HERE TO CHECK IT OUT.](#)

This page is only one piece of our proactive approach to keeping Marin County residents informed and engaged in the issues that they care about. We are active on Facebook and Twitter, and also have set up dedicated email lists for relevant news and updates on specific issues.
