

**RECYCLED PRODUCTS PREFERENCE CERTIFICATION FORM**

Chapter 3.10 of the Marin County Code, Preference in Contracts and Purchases, allows a 15% preference on price submitted for recycled **products**.

All respondents must certify and describe how their products meet the following criteria:

Recycled Product: "Recycled Product" includes all materials, goods and supplies for which no less than fifty percent (50%) of the total weight consists of secondary and post-consumer waste and not less than ten percent (10%) of its total weight consisting of post-consumer waste. A recycled product shall include any product which could have been disposed of as solid waste, after completion of its life cycle as a consumer item, but which otherwise is refurbished for reuse without substantial alteration of its form.

Recycled or Recycling. "Recycled or Recycling" means the process of collecting, sorting, cleansing, treating and reconstituting materials that would otherwise become solid waste and returning them to the economic mainstream in the form of raw materials for new, reused, or reconstituted products which meet the quality standards necessary to be used in the market place.

Any business which falsely claims a preference pursuant to Chapter, 3.10, shall be ineligible to bid on county purchases or contracts for a period of one year from the date of discovery of the false certifications.

The Recycled Products Preference Certification form must be completed and returned with your bid/proposal response if you are claiming the 15% recycled products preference. Upon request, vendor agrees to provide additional information to substantiate this certification.

Vendor certifies information provided is true and accurate under penalty of perjury.
