SUMMARY

Fruit and Nut Crops	\$ 37,092
Truck Crops	109,970
Field Crops	252,224
Poultry Industry	463,234
Milk fat production	9,226,280
Livestock Industry	1,306,847
Apiary	850
Nursery Industry	646,800
	<u>\$12,043,297</u>

This report is compiled and distributed by authority of Section 65.5 of the Agricultural Code of California and includes only those crops and commodities sold off the farms. Income from hay and grains consumed on farms is reflected through sales of livestock and commodities. The income for all crops are gross returns.
