ARGUMENT IN FAVOR OF MEASURE N

Since 1983 the Kentfield Fire Protection District has provided paramedic service through its joint participation in the Ross Valley Paramedic Authority. To fund this service the voters in the Ross Valley have overwhelmingly approved a special parcel tax of up to \$30 per year. To continue the present paramedic service for four more years, the special tax is required, by law, to be returned to the voters for re-approval.

- Measure N will not increase taxes
- Measure N will allow the continuation of the special parcel tax for paramedic service
- Vote 'YES' on Measure N
