Dear Board of Supervisors:

Cycle 2 of the Community Services program for FY 21-22 opened for applicants on January 1, 2022 and closed on March 31, 2022. For this first cycle of the fiscal year's online application process, we received 60 requests totaling \$462,468.

Based on staff review and our Board's policy direction at a public workshop on April 26th, we are recommending 44 allocations for a total of \$250,000. If approved by your Board, the County Administrator will execute Community Service Agreements consistent with Attachment A.

**FISCAL IMPACT:**

If your Board approves the staff recommended allocations as outlined in Attachment A, the remaining \$250,000 of the annual budget of \$500,000 would be expended.

Please let me know if you have any questions or concerns.
