

Dear Residents:

The County of Marin offers a wide breath of services: from maintaining roads and granting marriage licenses to facilitating elections and connecting foster youth with new adoptive parents. No matter the role, County employees always strive to make Marin a safe, healthy and sustainable community. This report highlights just a portion of all the services County government provided for the fiscal year beginning July 1, 2015 and ending June 30, 2016.

You deserve a County Government that responds to new emerging needs. We are always seeking better ways of doing business and our Five Year Business Plan serves as a roadmap to continuously improve our services and become a more responsive government. The plan includes increased communication and more online and digital services. This report is just one small step to achieve the goals of our plan.

As we prepare for future economic uncertainty, our strong and stable local economy provides us the opportunity to focus on long-term strategies. Some of our highest priorities include:

- Investing in Road maintenance
- Preserving affordable housing
- Enhancing mental health services and homeless programs
- Reducing traffic congestion
- Addressing climate change

None of our achievements would be possible without our residents, the leadership of the Board of Supervisors and the teamwork with our community partners.

I invite you to visit marincounty.org/2016 for even more examples of how the County workforce works for you and how you can become more engaged in making Marin County an even better place to live and work.

Matthew Hymel
Marin County Administrator
