

The County preserved scarce affordable housing units by aiding in the acquisition of 55 homes that would've been converted to market-rate housing.

Public Works led several major road reconstruction projects, including at several locations along Sir Francis Drake Boulevard, one of Marin's busiest thoroughfares.

The Community Development Agency and Public Works collaborated on public education about sea level rise using virtual reality imaging and an original award-winning board game.

The County's Climate Change Plan received an important update and the Board committed \$3.15 million to energy efficiency projects.

The County refinanced its debt to fund the replacement of the Civic Center Roof and the renovation of the West Marin Services Center in Point Reyes Station.
