I. Mission Statement
The mission of the Department of Child Support Services is to establish and enforce child support orders, treating all parties with respect and serve the community through outreach and education.

II. Department Overview
The Department of Child Support Services (DCSS) operates under Title IV-D of the Social Security Act and is funded by federal and state funds. The department's operations are governed by federal and state regulations and include establishing paternity, establishing child and medical support orders, modifying existing support orders, and enforcing support orders. In FY 2006-07, the Enhanced Court Collections Division (ECC) was created by a memorandum of understanding with the courts to provide collection services for delinquent fines. ECC collects delinquent fines and forwards them to the courts for distribution to the County and other jurisdictions.

IV. Accomplishments for FY 2012-13
The Child Support Services program:
- Awarded the highest in overall performance within the State of California, making 2011-12 the ninth consecutive year to be ranked among the top ten performing local child support agencies in the state
- Won a Director's Excellence Award from the California Department of Child Support Services for exceeding all six state-set performance goals
- Awarded the Most improved very small county in performance from the California Department of Child Support Services
- Awarded the Highest Performing very small county from the California Department of Child Support Services
- Awarded the highest increase in support collections from the California Department of Child Support Services
- Distributed $11.8 million in child support collections (both current support and arrears collections), a 9.4 percent increase over last year and the highest increase in the state
- Increased the cost effectiveness of the child support program by 14.5 percent

The Enhanced Court Collection program:
- Ranked in the top 15 performing county programs in the state for gross recovery and success rate of court-ordered debt per the Administrative Offices of the Courts (AOC) Annual Report
- Collected $3.4 million in delinquent court-ordered debt, an increase of $122,416 over the last year, making FY 2011-12 the highest grossing year in Enhanced Court Collection (ECC) history

V. Key Challenges and Outstanding Issues
Working with many formerly paying people who are now out of work and no longer paying child support or court-ordered debt due to the economic downturn.
