Project Sponsor: Marin County Flood Control and Water Conservation District

Project Location: City of Novato, Marin County, California

Project Description: The proposed project will restore ecologically valuable tidal wetlands for endangered species and improve tidal connectivity to the diked areas that were historically tidal wetlands along Novato Creek.

The Board of Supervisors approved the project on June 6, 2023, and has made the following determinations:

1. The project in its approved form will not have a significant effect on the environment.
2. A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. Findings were made pursuant to the provisions of CEQA.

I certify that a copy of the Mitigated Negative Declaration of Environmental Impact, and record of project approval is on file and may be examined at:
