Government Code § 53051 requires a public agency to file a Statement of Facts within 70 days after the commencement of its legal existence. When there is a change in information, the agency is required to file an amended Statement within 10 days. It is the duty of the Secretary of State and the County Clerk of each county to establish and maintain an indexed "Roster of Public Agencies."

1 “Public agency” means a district, public authority, public agency, and any other political subdivision or public corporation in the state, but does not include the state or a county, city and county, or city.

Please note that not all public agencies appearing on this list represent currently active agencies. For more detailed information, visit our office to view filings in their entirety. The Marin County Clerk’s office is located at the Marin County Civic Center, 3501 Civic Center Drive, Room 234, San Rafael, CA 94903. Excluding major holidays, the Marin County Clerk’s office is open from 9 a.m. until 4 p.m., Monday through Friday. Clerk staff can be reached at (415) 473-6772.
