The meeting will be on
Tuesday, January 22, 2019
5:30 pm to 7:30 pm

at
Marin Sanitary Service Offices
535 Jacoby Street, San Rafael

Proposed changes to the current SWFP include:

The City of San Rafael issued a Zoning Information letter on August 30, 2018 verifying the 1,170 vehicles which includes the public disposal and recycling center activities.)

On December 21, 2018, the Solid Waste Facility Permit revision application was accepted as complete and correct by the Local Enforcement Agency (LEA). A proposed Solid Waste Facility Permit is available on the Marin County Environmental Health Services website,
