

Organization Profile – 2013-14 Data Collection Pilot

The County of Marin is interested in more deeply understanding the population demographics of those who staff, govern and/or utilize the services of Community Development Block Grant (CDBG) Program grantee and applicant organizations. More deeply understanding these demographics will address some of the topics highlighted in the 2011 Analysis of Impediments to Fair Housing in Marin.

The data gathered on this form will NOT determine an organization’s likelihood to receive a CDBG grant. If you do not collect or do not wish to share the demographic information requested, please check the appropriate box below. We hope you will be able to participate in this pilot project. If you have completed a similar organization profile form when applying for foundation grants in Marin, feel free to use the information collected for those forms if submitted within the last 12 months.
