#### 2019/20 COMMUNITY DEVELOPMENT BLOCK GRANT AND HOME PROGRAM APPLICATION FOR FUNDING

1. Indicate type of project. If your project allows, you may apply under multiple categories.

CDBG Public Services		CDBG Public Facilities/Improvements	
CDBG Housing Construction/Acquisition		HOME Housing Construction/Acquisition	
CDBG Housing Rehabilitation	×	HOME Housing Rehabilitation	

#### 2. Organization (Fiscal Sponsor) General Information:

ORGANIZATION/AGENCY NAME	Marin Center For Independent Living	
MAILING ADDRESS	710 4th Street	
WEBSITE	www.Marincil.org	
ORGANIZATION DUNS#	199680711	
EXECUTIVE DIRECTOR/CEO	Eli Gelardian	
EMAIL ADDRESS	eli@marincil.org	
PHONE	415-459-6245	

#### 3. Project General Information:

PROGRAM/PROJECT NAME	Residential Access Modification Program
PROGRAM/PROJECT SITE ADDRESS	710 Fourth St. San Rafael, CA 94901
CDBG/HOME FUNDING AMOUNT REQUESTED	\$ 30,000.00
APPLICATION CONTACT PERSON	Susan Malardino
E-MAIL ADDRESS	susan@marincil.org
PHONE	415-459-6245 ext 29

4. Planning Areas Served: Indicate what geographic area the requested funding will serve. <u>Please indicate</u> <u>approximate % of services provided in each area.</u> For Housing projects with current residents, please indicate where your project is located.

Novato	San Rafael	County Other	Total
30%	60%	30%	100%

#### 5. What prior years have you been funded by CDBG/HOME

Year Funded	2015-2016	2016-2017	2018-2019
Grant Amount	\$16,000	\$18,000	\$30,000
Amount Expended	\$16,000	\$15,865	-0-

6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

MCIL's mission is to assist seniors and persons with all types of disabilities with achieving their maximum level of sustainable independence as contributing, responsible and equal participants in society. We offer Information and referral, Personal Assistant Registry, Benefits Counseling, Housing Preservation Services, Assistive Technology, Home Modifications and Systems Change Advocacy.

MCIL served over 800 unique clients in 2018

7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

The Residential Accessibility Modification Program of MCIL serves Marin residents with disabilities by increasing housing accessibility. The majority of clients have orthopedic, visual or hearing impairments, chemical sensitivities HIV+ or AIDS or are frail, elderly people. This program has been in operation for more than thirty nine years. Services are provided to individuals who are at risk of losing their independence and being confined in nursing homes without the modifications.

Marin CIL is the only agency in Marin that directly assists people in this manner.

#### 8. HUD National Objective to be served (check at least one):

Activities benefiting low and moderate-income persons. (LMI)
Activities benefiting low and moderate area. (LMA)
Activities which aid in the prevention or elimination of slums or blight.

#### 9. How will this project Affirmatively Further Fair Housing?

Marin County's population is rapidly aging and as a consequence, rapidly aging into disability. By 2020 a third of the population in our County will be older adults, representing the fastest growing rate for seniors in any county in the state of California. Presently Marin has 53,815 older adults and individuals with disabilities enrolled in Medicare and 8,373 individuals enrolled in Medi-Cal. However, despite our significant aging and disabled population, there are limited options for housing.

Another change in our county is in the financial incentives to support community-based living compared to acute or post-acute care. The median monthly cost of a skilled nursing facility bed in Marin is over \$5000 a month, while the combined median monthly cost of in home personal assistants and an individual's social security benefits is less then \$2000. Living safely and independently in the home with community supports is critical to both the emotional and financial health of our community members and the County.

The need for a coordinated and systematized approach to serving individuals at risk of entering long term care facilities can never be more present. The lack of long term care facilities, lack of affordable housing and the fact that many seniors' desire to "age in place" makes it even more critical to help individuals in Marin County remain safely in their homes. With the combined efforts of MCIL's Residential Access Modification Program and other safety net services, we will be able to support our community members to live independently with greater dignity and quality of life.

#### 10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

All consumers of MCIL are people with disabilities, a protected class, as defined by HUD. In addition MCIL engages in outreach to under served communities. MCIL participates in the Aging Action Initiative and is a partner in the Green and Healthy Homes Project.

MCIL will continue to outreach to under served communities in Marin County.

11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly benefit from</u> <u>the program/project?</u> (Use the income level table found in the Application Guidelines document):

Moderate-Income	15 with home modification information and referral
Low-Income	3
Very Low-Income	5
Extremely Low-Income	5

12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who will directly</u> <u>benefit from the program/project</u>:

Ethnic Category	Total Persons	Identifying as Hispanic
American Indian or Alaskan Native	5 %	%
Asian	5 %	%
Black or African American	20 %	%
Native Hawaiian or other Pacific Islander	5 %	%
White	20 %	10 %
American Indian <i>and</i> White	10 %	%
Asian and White	5 %	%
Black and White	10 %	%
American Indian <i>and</i> Black	10 %	%
Multi-Racial	10 %	%
TOTAL	100%	
Female-Headed Households (out of above total)	60 %	%

#### **PROJECT MANAGEMENT & FINANCIAL DATA**

#### 13. If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

MCIL has been providing the Residential Access Modification Program for the past 39 years. Increasingly we are serving older adults who are aging in to disability who require home modification to live safely in their homes. In the past 5 years the program has served approximately 30 individuals and families with home access modifications ranging from grab bar installations, stair lifts, ramps and bathroom widening. These modifications have specifically provided to low income individuals who do not have the resources to complete them on their own. Through the consumer surveys our consumers have reported that their home access modifications have significantly improved overall quality of life, ability to perform activities of daily living and to engage in community activities.

14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

MCIL is planning to use the remaining \$2135 to complete approximately 4-7 Grab Bar
installations based on the estimate of about \$300-\$500 per installation.

15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements?

For over 20 years MCIL has managed grants for independent living services. These grants have been administered by the Department of Education and the Administration on Community Living. The organization has complied with all Federal regulations, fiscal polices and programmatic requirements. Each year the agency undergoes an Annual Audit performed by an outside CPA. MCIL has never fallen out of compliance with our Federal Funders.

MCIL adheres to Davis-Bacon by ensuring that all contractors are current on their licensing and adhere to the local (Marin) prevailing wages and fringe benefits requirements.

16. Describe who will supervise and manage the project and their past experience with project management.

Tonique McNair will oversee the project. Tonique McNair has been with MCIL for over 2 years overseeing our Home Modification Program. MCIL has an intake process for all new consumers. Tonique meets with each consumer to develop their goal as part of their Independent Living Plan.

Once the scope of work is determined, Tonique will contact the appropriate contractors and/ or vendors to acquire bids for the project. Once the bids are in, she will review them and select the best suited contractor/vendor for the project. Once all the required documentation is received, she will submit to CDBG for approval.

17. For Housing and Capital (construction and renovation) projects, list any entitlements, approvals, or authorizations that are necessary for the project to proceed.

Typically our projects do not require additional authorizations however, if authorization should be required this is usually the responsibility of the contractor that is selected for the project.

#### 18. For HOME projects: Please describe how you will meet the 25% match requirement?

N/A

#### **19. For HOME Projects are you a CHDO?**

20. For Housing and Capital (construction and renovation) projects, what is your project timeline? List program/project objectives and milestones, along with an estimated timetable for reaching them. (The general tasks for a construction project are provided below; please add tasks as needed)

Task	Date of Completion	
Define scope of work/finish design	Receive shower install request Week 1	
Complete planning & environmental review	N/A	
Release bid package	Request and receive bid package week 2-3	
Select contractor	Make contractor selection week 3	
Finalize contract	Week 4	
Obtain building permits	N/A	
Start construction	Week 4	
Complete Construction	Week 4-6	

21. Please sign and date your application below:

Signature/Title

#### **Required Attachments:**

- A. Project Budget: Complete the project budget template provided and submit along with application. If you have a project budget that provides the information requested in the template, you may submit that in-lieu of the template. Please note: the project budget should reflect the total cost of the project NOT just the CDBG/HOME request.
- B. Organizational Budget: Upload your organization or fiscal sponsors annual budget.

#### Applications may be submitted via email, mail, or in person to one of the addressed below.

Email Address, only applications emailed to this address will be accepted: Federalgrants@marincounty.org

Mailing Address/Physical Address (if dropping off application): County of Marin 3501 Civic Center Drive #308 San Rafael, CA 94903 Attn: Federal Grants

#### Application submittal deadline is Friday, November 16, 2018 by 5 p.m. PST POSTMARKS WILL NOT BE ACCEPTED

2019/20 CDBG/HOME FUNDING APPLICATION

Amount Expended	All funds expended	\$225k pending	

6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

The Marin Housing Authority (MHA) is a public corporation created pursuant to the Health and Safety Code of the State of California, governed by local county government and principally funded by the federal Department of Housing and Urban Development. I

The mission of MHA is to assist low to moderate-income people secure and maintain decent, safe and sanitary affordable housing. MHA serves thousands of people through a wide range of programs and services, including public housing for families, seniors and the disabled, housing choice vouchers (Section 8), supportive housing services for special needs populations, family self-sufficiency services, rental deposit assistance, financial and technical assistance and counseling for low to moderate income first-time home buyers and low-interest home repair loans for extremely-low to low-income homeowners.

MHA is one of Marin County's largest providers of affordable housing, operating over 500 owned housing units (300 units for families and 200 units for seniors and the disabled) and over 2100 Section 8 vouchers used in privately owned rental apartments throughout the community. MHA also administers the Below Market Rate home ownership program with a portfolio of 342 units throughout the County (except Novato) and manages the Residential Rehabilitation Loan Program that has repaired and upgraded over 800 homes in Marin County.

7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

The Residential Rehabilitation Loan Program (RLP) provides home repair and property improvement loans throughout Marin County to low, very low and extremely low-income owner-occupants who cannot access regular lending resources due to type of housing or income. Loans can be made for repairs to single family homes, condominiums (including Below Market Rate units), floating homes docked in approved berths, mobile homes, and non-profit group homes serving special populations. Low interest loans of up to \$35,000 are provided to complete necessary and urgent home repairs, correct substandard housing conditions, eliminate health and safety hazards and legalize and/or create second units.

Typical work undertaken includes the repair or upgrading of existing plumbing, heating and electrical systems, roof repair or replacement, correction of foundation, drainage, dry rot and termite related problems, emergency and/or storm related repairs, energy efficiency measures such as window retrofits, ADA accessibility improvements and the remediation of trip and fall hazards in the home. In addition, a rehab loan may be used by condominium owners to pay HOA Special Assessments for the correction of construction defects or needed maintenance for which the HOA reserve funds are insufficient.

Since 2017, the RLP has expanded to include the creation and/or legalization of second units (ADUs and JADUs) for non low-income homeowners who agree to rent them to Section 8 tenants or to low-income tenants at an affordable rent through the Real Community Rentals Program in West Marin. This second unit component of the RLP complies with the CDBG guidelines of serving low-income households whether they be the property owner or the tenant.

Through the RLP, the aging housing stock is upgraded and accessibility features installed, allowing low-income households to remain in their homes and age in place and sorely-needed rentals are created for low-income tenants and capped at affordable levels. Loan terms are determined based on program type and ability to pay - borrowers with extremely low and very low incomes are most often set up as deferred loans with no monthly payments and principal and accrued interest only due upon sale.

#### 8. HUD National Objective to be served (check at least one):

X	Activities benefiting low and moderate-income persons. (LMI)
X	Activities benefiting low and moderate area. (LMA)
X	Activities which aid in the prevention or elimination of slums or blight.

#### 9. How will this project Affirmatively Further Fair Housing?

By combating lending discrimination through equal access to home repair funding opportunities benefiting low-income residents of Marin County; by providing the means to improve the housing stock of ethnically and racially concentrated areas, one house at a time; by remediating unsanitary and dangerous housing conditions for which conventional funding is unavailable; and by serving members of the protected classes including:

Elderly and disabled households who are usually living on fixed incomes with little or no savings and unable to obtain conventional home equity loans. ADA accessibility improvements such as stairlifts, ramps and roll-in showers can be made to make their homes user-friendly.

Racial and ethnic minorities: The Rehab Loan Program provides marketing materials to areas with a concentration of low-income households and minorities, such as Marin City and the Canal area in San Rafael who are the least likely to be approved for conventional financing and least likely to apply for the RLP.

#### 10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

In addition to mailings to designated census tracts, RLP staff has made radio presentations on a local Spanish language station and will place ads in local Spanish language newspapers. Low-income BMR owners living throughout the County in inclusionary units will be reached through the BMR Program newsletter. Numerous presentations, referrals and collaborations serving seniors and members of other protected classes are conducted throughout the year with agencies such as Whistlestop Senior Services, Margaret Todd Senior Center, Bolinas Community Land Trust (BCLT), Community Land Trust Association of Marin (CLAM), San Geronimo Valley Affordable Housing (SGVAH), YWCA, Marin Villages, Marin Valley Mobile Home Park, Contempo Marin Mobile Home Park, Marin City Community Development Corp. (MCCDC), West Marin Senior Services, Green and Healthy Homes Initiative (GHHI), County of Marin Adult Protective Services, Local Building Departments, Canal Community Alliance, Jewish Family Services, Community Action Marin, Marin Asian Advocacy Program and others. The statistics below in Sections 11 and 12 are based on 38 households with current loans, a total of 48 persons.

11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly benefit from</u> the program/project? (Use the income level table found in the Application Guidelines document):

Moderate-Income	0	
Low-Income	5 households	
Very Low-Income	13 households	
Extremely Low-Income	20 households	

12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who will directly</u> <u>benefit from the program/project:</u>

Ethnic Category	Total Persons	Identifying as Hispanic
American Indian or Alaskan Native	%	%
Asian	10 %	%
Black or African American	15 %	%
Native Hawaiian or other Pacific Islander	%	%
White	73 %	2 %
American Indian <i>and</i>	%	%
Asian and White	%	%
Black and White	2 %	%
American Indian and Black	%	%
Multi-Racial	%	%
TOTAL	100%	
Female-Headed Households (out of above total)	58 %	%

#### **PROJECT MANAGEMENT & FINANCIAL DATA**

#### 13. If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

Since its inception 43 years ago, the Rehab Loan Program has processed 1,527 applications and funded over 800 loans totaling \$16,311,404. These loans have helped maintain Marin's housing stock in decent and safe condition, allowed low-income homeowners to maintain and remain in their homes, prevented the loss of housing for low-income households by creating second units to provide much-needed income, created rent-restricted affordable units for Section 8 and low-income tenants and provided a source of funds for mobile homes and floating homes typically unable to access conventional means of financing.

Rehab loans have replaced numerous roofs, dry-rotted decks, water heaters, furnaces, appliances, windows and more. Past projects have included everything from installation of an elevator in the home of an ALS patient to the waterproofing of decking on a floating home.

## 14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

This year, as we did last year, we are asking for an additional \$235k over the administrative costs of \$265k for the funding of 7-8 rehabilitation loans due to the high demand and low available funds. The expansion of the RLP to include second units has resulted in increased applications but the rate of loan payoffs has not changed.

The CDBG conditional funding approval for last year is pending environmental reviews which have been submitted. There are 4 monthly billings plus the allocation specified for the direct loans for a total of invoices pending of \$224,000. This current allocation will be expended by the end of the FY 2018/2019 at the current rate of \$20,000 to \$22,000 per month.

15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements?

The Marin Housing Authority has been administering the Residential Rehabilitation Loan Program for 43 years. MHA has managed other programs in previous years that received federal grants. 16. Describe who will supervise and manage the project and their past experience with project management.

Carmen Hall Soruco is the manager of the Home Ownership Programs Department for the Marin Housing Authority where she has worked for over eighteen years. The Department administers the Residential Rehabilitation Loan Program for low-income homeowners as well as the Below Market Rate Homeownership Program for first-time home buyers, the Mortgage Credit Certificate Program, and various down payment assistance programs.

Carmen is a graduate of UC Berkeley and studied at the University of Madrid, Spain. She has worked as a social worker, community programs director, home mortgage lender, real estate appraiser, and licensed general contractor and is bilingual in English and Spanish.

17. For Housing and Capital (construction and renovation) projects, list any entitlements, approvals, or authorizations that are necessary for the project to proceed.

18. For HOME projects: Please describe how you will meet the 25% match requirement?

19. For HOME Projects are you a CHDO?

N/A

N/A

20. For Housing and Capital (construction and renovation) projects, what is your project timeline? List program/project objectives and milestones, along with an estimated timetable for reaching them. (The general tasks for a construction project are provided below; please add tasks as needed)

Task	Date of Completion
Define scope of work/finish design	
Complete planning & environmental review	
Release bid package	
Select contractor	
Finalize contract	
Obtain building permits	
Start construction	
Complete Construction	

21. Please sign and date your application below:

#### **Required Attachments:**

- A. Project Budget: Complete the project budget template provided and submit along with application. If you have a project budget that provides the information requested in the template, you may submit that in-lieu of the template. Please note: the project budget should reflect the total cost of the project NOT just the CDBG/HOME request.
- B. Organizational Budget: Upload your organization or fiscal sponsors annual budget.

Applications may be submitted via email, mail, or in person to one of the addressed below.

Email Address, only applications emailed to this address will be accepted: Federalgrants@marincounty.org

Mailing Address/Physical Address (if dropping off application): County of Marin 3501 Civic Center Drive #308 San Rafael, CA 94903 Attn: Federal Grants

> Application submittal deadline is Friday, November 16, 2018 by 5 p.m. PST **POSTMARKS WILL NOT BE ACCEPTED**

Amount Expended		

### 6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

Marin City Health and Wellness Center (the Center) is a nonprofit Federally Qualified Health Center, dedicated to serving public housing residents and the growing homeless population County-wide, and low-income residents of southern Marin County. Healthcare is provided regardless of an individual's ability to pay. Of current patients, 94% are Medi-Cal eligible, 63% are residents of southern Marin, and 13% are homeless. Poverty is the common thread among our multi-ethnic patient base. For the 12 months ended 10/31/18, the Center served 3,687 unique patients with 19,790 provider visits for integrated healthcare services.

The Center has a proven track record in providing healthcare and supportive services to protected classes. Medical services in Marin City began in 2006, followed by dental and behavioral health in 2012. Preventative behavioral health programs for youth (ages 12-20) began two years later. In 2016 a midwifery, perinatal and childbirth program opened (at Marin's only freestanding birth center, and one of three FQHC/birth center models in the U.S.), and homeless, recovery and medication-assisted treatment services began.

Created in 2006 by a grassroots movement for culturally sensitive healthcare in Marin's historic Black community, the Center's mission is to provide innovative health and wellness services for all, with the goal of African American health equity. Across the board, African Americans suffer the worst health outcomes, including maternal health and childbirth disparities, chronic conditions, and morbidity and mortality from preventable illness. The Office of Statewide Health Planning and Development indicates that Marin County has the second-highest emergency room utilization rate in the Bay Area: 298 visits per 1,000 residents. Throughout California, Black residents are more likely than any other racial or ethnic group to delay obtaining needed medications, and to utilize the emergency room for a non-emergency visit (UCLA Health Policy Research Brief, 2009).

Over the years, the Center has tried to find larger space to meet the demand for care that far exceeds the current small clinic space. In late 2017 an opportunity arose to purchase 100 Phillips Drive, 1/2 block from the main clinic location. Recognizing that this was the first commercial real estate sale in Marin City in decades, clinic leadership thoughtfully considered the highest and best use of the site: remodel the existing building, or build a new multi-story building with healthcare, supportive services, and affordable housing. In September 2018 an architect was engaged to develop a more comprehensive concept design with new construction.

In mid-2018, key leadership roles changed to make possible the mixed use site: a project manager was assigned to oversee the construction and funding of Phillips Drive, and development staff was added. As we prepare to submit plans for new construction of the mixed-use Health and Housing Hub, the Center is well positioned to expend grant funds for the stated purpose and within the 2019-20 timeframe.

### 7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

The Health Hub is a mixed-use new construction project. Funding from this grant would support ONLY that portion of the construction expense related to the 6,000+ sq. ft. clinic space.

The project meets several CDBG/HUD priorities: it is located in a Transit-Oriented Development, less than 1/8 mile from major bus lines that serve the entire county; it reflects New Urbanism in a community that is walkable, diverse, mixed income, with access to retail; and, as a nonprofit Public Facility, the Center offers healthcare services available to the general public, with a focus on L/M income (over 80% of our patients access care using Medi-Cal).

The new clinic will more than double exam rooms (and access to care for L/M income patients) for primary medical, dental, behavioral health and MAT services. It will include space for recovery support groups, and health education programs that include a Food Pharmacy, Park Rx activities, and Healthy Eating Active Living programs for seniors and those managing multiple chronic conditions. The Center has achieved statewide and national recognition for its medication-assisted treatment (MAT) program for opioid addiction, and a unique FQHC/birth center model to address Black maternal health disparities and low birthweight babies.

Center leadership initially intended to remodel the existing building, and then recognized a once-in-a-lifetime opportunity to create a unique whole-person care model that co-locates healthcare, supportive services, and housing in Marin City. Quezada Architects (a woman-owned, minority business) was recently hired to create a mixed-use Project Design with expanded clinic, childcare, private school with mental health support for teens living with Adverse Childhood Experiences (ACEs) who do not succeed in a traditional school environment, offices for HHS specialty services, and 20 units of 100% low income housing.

Recognizing the significance of this undertaking, the Center has reassigned staff to manage the construction, funding and compliance for the new site; with prior renovations, we added additional responsibilities to current staff roles. Over \$2.5M in funding requests have been submitted for pre-development and construction costs. This site has already passed a NEPA review by Marin County. The pre-development team includes an architect, structural engineer, soils/geotechnical consultant, land use attorney, and entitlements consultant. The Center has begun to build community support by meeting with key organizations and program partners in Marin City, including Bayside MLK Academy, the Community Services District, and the Community Development Corp. In December we will meet with Marin CDA (planning) staff to present the schematic design for approval, and begin to prepare the planning package.

The Center was created to expand access to care for a historically underserved, low-income residents of southern Marin. The community's healthcare needs significantly exceed our ability to provide services in the limited space available at the leased current clinic site or, even, in the existing structure at the Phillips Drive site. CDBG funding will increase access to care by creating an innovative, integrated, community-based Health Hub.

#### 8. HUD National Objective to be served (check at least one):

$\sim$	Activities benefiting low and moderate-income persons. (LMI)	
$\times$	Activities benefiting low and moderate area. (LMA)	
	Activities which aid in the prevention or elimination of slums or blight.	

#### 9. How will this project Affirmatively Further Fair Housing?

As a Federally Qualified Health Center (FQHC), we require information on family size and income so that it is evident that at least 51% of the clientele are persons whose family income does not exceed the L/M income limit. In the case of our patients, 94% are below the moderate income limit. Our services benefit residents of public housing and the homeless, those at risk of homelessness and struggling with mental illness, youth at risk of entering the criminal justice system and/or transitioning out of foster care, re-entry adults, veterans, and Protected Classes including African Americans, women who are head of household, and older adults.

The Center was founded in 2006 by a grassroots effort to serve the unique needs of Marin City residents. Its nature and location dictate that the clients for our healthcare and supportive services are primarily L/M income persons.

#### 10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

Starting in October 2018, we launched a marketing campaign to tell Protected Classes and residents of southern Marin County about the new Health Hub. Components of outreach include: speaking to community boards (Marin City Community Services District, Marin City Community Development Corp, Sausalito Marin City School Board, resident advisory councils for public housing), connecting with county leaders (Supervisor Kate Sears, Dr. Grant Colfax), and creating a new print newsletter and HealthyMarinCity.org website (coming soon) with updates on the construction project and capital campaign.

Most importantly, our staff who conduct outreach in the community for free health and wellness programs (insurance and Medi-Cal enrollment, support classes, exercise and nutrition programs, youth programs, weekly services to anchor-outs offshore in Sausalito) will discuss and distribute information about healthcare, childcare, housing and supportive services available at the new clinic site at 100 Phillips Drive.

### 11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly benefit from</u> the program/project? (Use the income level table found in the Application Guidelines document):

Moderate-Income	353
Low-Income	258
Very Low-Income	486
Extremely Low-Income	2065

12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who will directly</u> <u>benefit from the program/project:</u>

Ethnic Category	Total Persons	Identifying as Hispanic
American Indian or Alaskan Native	1 %	0 %
Asian	5 %	0 %
Black or African American	21 %	2 %
Native Hawaiian or other Pacific Islander	1 %	0 %
White	37 %	1 %
American Indian <i>and</i> White	%	%
Asian and White	%	%
Black and White	%	%
American Indian <i>and</i> Black	%	%
Multi-Racial	22 %	10 %
TOTAL	100%	
Female-Headed Households (out of above total)	not available %	n/a %

#### **PROJECT MANAGEMENT & FINANCIAL DATA**

13. If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

N/A

### 14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

As soon as the decision was made to expand services through a mixed-use new construction (rather than for remodeling the current building for expanded clinic space only) the Center contacted CDBG staff at the County of Marin to discuss options for repurposing CDBG funding accordingly. At that meeting (in September 2018), it was determined that MCHWC is not eligible to transfer CDBG grants to new construction.

In a letter dated 11/13/18, CEO JayVon Muhammad relinquished these funds for the benefit of other organizations:

- \$50,000 awarded 12/17/17 for the 2017-18 funding cycle;

- \$38,282 pending for the 2018-19 funding cycle.

We submit this proposal recognizing that the Center will not benefit from the \$88,282 of funding previously granted through the CDBG process. The proposed new construction requires submission of this new CDBG application, and precludes the use of any previously allocated funding for renovation.

### 15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements?

We receive significant funding from federal and state agencies, such as HRSA and the County of Marin. As a result, Center staff is experienced in tracking expenditures, data and compliance for agency grant reporting requirements. A three-person QI team oversees data and reporting, consistent with our organizational culture of Continuous Quality Improvement (CQI). As an FQHC, we are experienced at managing complex financial regulations, grants compliance and billing structures, and perform regular financial and programmatic audits.

The Center's Board of Directors, which includes 50% patient representation, reviews financial and CQI metrics monthly; our Finance Manager is one of the Center's longest-serving employees; and we outsource CFO responsibilities to a firm that specializes in FQHC financials. Prudent fiscal management has resulted in the ability to set aside revenue and build substantial savings that have been used to fund prior construction projects for the Marin Family Birth Center and Bayview Clinic. (The first debt in the Center's 12-year history was the mortgage to purchase the Phillips Dr. site.)

We understand, support and will comply with Davis-Bacon prevailing wage requirements.

#### 16. Describe who will supervise and manage the project and their past experience with project management.

Since 2016 Grantee has completed two major construction projects and is experienced working with architects, engineers and contractors. Key staff involved in past construction project management include Birth Center Director Kiki Jordan, who will serve as Interim CEO. Well beyond the construction, plans and permits required to remodel an office suite into medical exam and delivery rooms for the Marin Family Birth Center (880 Las Gallinas Ave, San Rafael), she navigated complex regulations for Marin County's first freestanding birth center; no precedent existed for this ambulatory labor and delivery facility. At the Bayview Hunters Point Clinic (6301 3rd Street, SF), current CEO JayVon Muhammad and COO Patricia Rodriguez managed an extensive renovation of a two-story medical facility built in 1960 and never modernized, included bringing the entire facility up to current code and ADA requirements.

This year the Center added fundraising staff to allow Melanie Hamburger, Development Director, to focus on capital campaign and project management for pre-development. Lastly, Board Chair Nancy Johnson has spent most of her career working in public assistance, public housing and real estate. She brings extensive knowledge of low-income housing.

Principal Architect Cecelia Quezada has medical construction experience, including designing the new trauma wing of San Francisco General/Zuckerberg Hospital. Project Architect Clare Hyland has designed comprehensive medical facilities for Kaiser Permanent and other healthcare providers.

## 17. For Housing and Capital (construction and renovation) projects, list any entitlements, approvals, or authorizations that are necessary for the project to proceed.

We have conducted extensive research on zoning and planning requirements, including Marin Code Article III, Title 22. Included in our project team is a land use attorney experienced in unincorporated Marin County; we are in the process of hiring an entitlement consultant. The new clinic space will also benefit from certain regulations that help fast-track the permitting process (such as California SB35, which applies to affordable housing developments). We anticipate submitting plans by 1/1/18, with approval by March 2019.

Safeguards to keep us on schedule for a June 2020 project completion date include a team of advisors and consultants who are experienced in this type of mixed-use construction, as well as re-assigning the Development Director solely to this project. In addition to permit fees, the project budget includes soft costs at 30%, equipment costs, utility fees, and a 15% contingency. The Center has developed a team and project planning timeline with key milestones to anticipate, plan for, and overcome obstacles in the planning and construction process.

#### 18. For HOME projects: Please describe how you will meet the 25% match requirement?

N/A

#### **19. For HOME Projects are you a CHDO?**

20. For Housing and Capital (construction and renovation) projects, what is your project timeline? List program/project objectives and milestones, along with an estimated timetable for reaching them. (The general tasks for a construction project are provided below; please add tasks as needed)

Task	Date of Completion
Define scope of work/finish design	12/31/18
Complete planning & environmental review	2/1/19
Release bid package	1/15/19
Select contractor	3/1/19
Finalize contract	4/1/19
Obtain building permits	5/1/19
Start construction	6/1/19
Complete Construction	6/1/20

#### 21. Please sign and date your application below:

Signature/Title

#### **Required Attachments:**

- A. Project Budget: Complete the project budget template provided and submit along with application. If you have a project budget that provides the information requested in the template, you may submit that in-lieu of the template. Please note: the project budget should reflect the total cost of the project NOT just the CDBG/HOME request.
- B. Organizational Budget: Upload your organization or fiscal sponsors annual budget.

#### Applications may be submitted via email, mail, or in person to one of the addressed below.

#### Email Address, only applications emailed to this address will be accepted:

Federalgrants@marincounty.org

#### Mailing Address/Physical Address (if dropping off application): County of Marin 3501 Civic Center Drive #308 San Rafael, CA 94903 Attn: Federal Grants

#### Application submittal deadline is Friday, November 16, 2018 by 5 p.m. PST <u>POSTMARKS WILL NOT BE ACCEPTED</u>

# 2019/20 COMMUNITY DEVELOPMENT BLOCK GRANT AND HOME PROGRAM APPLICATION FOR FUNDING

1. Indicate type of project. If your project allows, you may apply under multiple categories.

CDBG Public Services	×	CDBG Public Facilities/Improvements	
CDBG Housing Construction/Acquisition		HOME Housing Construction/Acquisition	
CDBG Housing Rehabilitation		HOME Housing Rehabilitation	

# 2. Organization (Fiscal Sponsor) General Information:

ORGANIZATION/AGENCY NAME	Fair Housing Advocates of Northern California
MAILING ADDRESS	1314 Lincoln Avenue Suite A San Rafael, CA 94901
WEBSITE	www.fairhousingnorcal.org
ORGANIZATION DUNS#	36-228-1065
EXECUTIVE DIRECTOR/CEO	Caroline Peattie
EMAIL ADDRESS	peattie@fairhousingnorcal.org
PHONE	(415)483-7552

# 3. Project General Information:

PROGRAM/PROJECT NAME	Fair Housing Counseling and Education
PROGRAM/PROJECT SITE ADDRESS	1314 Lincoln Avenue Suite A San Rafael, CA 94901
CDBG/HOME FUNDING AMOUNT REQUESTED	\$ 75,000
APPLICATION CONTACT PERSON	Caroline Peattie
E-MAIL ADDRESS	peattie@fairhousingnorcal.org
PHONE	(415)483-7552

4. Planning Areas Served: Indicate what geographic area the requested funding will serve. <u>Please indicate</u> <u>approximate % of services provided in each area.</u> For Housing projects with current residents, please indicate where your project is located.

Novato	San Rafael	County Other	Total
27%	38%	35%	100%

# 5. What prior years have you been funded by CDBG/HOME

Year Funded	FY2016-17	FY2017-18	FY2018-19
Grant Amount	\$52,500	\$70,000	\$60,000
Amount Expended	\$52,500	\$70,000	\$0* (contract has not yet been executed)

6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

See attached.			

7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

Please see description of services listed under #6, above, all of which are offered in Marin County. As the only HUD-certified Housing Counseling Agency in the county, as well the only fair housing agency with a testing program in the county, Fair Housing Advocates of Marin (FHAM) provides free services to residents protected under federal and state fair housing laws. FHAM helps people address discrimination they have experienced, increasing housing access and opportunity through our advocacy as well as requiring housing providers to make changes in discriminatory policies. Historically, FHAM's fair housing services have been especially beneficial to Latinos, African-Americans, people with disabilities, immigrants, families with children, female-headed households (including victims of domestic violence and sexual harassment), and senior citizens; approximately 90% of our clients are low-income. FHAM's education services are also available to members of the housing, lending, and advertising industry. Providing industry professionals with information about their fair housing responsibilities is another means by which FHAM decreases incidences of discrimination and helps to protect the rights of members of protected classes.

# 8. HUD National Objective to be served (check at least one):

$\times$	Activities benefiting low and moderate-income persons. (LMI)
$\times$	Activities benefiting low and moderate area. (LMA)
	Activities which aid in the prevention or elimination of slums or blight.

### 9. How will this project Affirmatively Further Fair Housing?

See attached.

## 10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

Our agency reaches those least likely to apply for services through the following:

- Translating much of our literature into Spanish;
- · Continuing to advertise all programs/services in all areas of Marin, including the Canal, Novato and Marin City;
- · Maintaining a website with information translated into Spanish and Vietnamese;

• Maintaining bilingual staff: currently we have 4 bilingual Spanish speakers who offer intake, counseling, education and outreach to monolingual Spanish speakers; in addition, we have a staff member who is bilingual in Chinese and another in Portuguese.

- Maintaining a TTY/TDD line to assist in communication with clients who are deaf/hard of hearing
- · Offering translation services in other languages when needed;
- · Conducting outreach and fair housing and pre-purchase presentations in English and Spanish;
- · Collaborating with agencies providing services to all protected classes, providing fair housing education to staff and

eliciting help to reach vulnerable populations - e.g. Legal Aid of Marin, the Asian Advocacy Project, Canal Alliance, ISOJI,

MCIL, Sparkpoint, the District Attorney's Office, Office of Education, and the Marin Housing Authority.

(See also section under #7 above.)

# 11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly benefit from</u> the program/project? (Use the income level table found in the Application Guidelines document):

Moderate-Income	6%
Low-Income	32%
Very Low-Income	16%
Extremely Low-Income	62%

# 12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who will directly</u> <u>benefit from the program/project:</u>

Ethnic Category	Total Persons	Identifying as Hispanic
American Indian or Alaskan Native	.5 %	.3 %
Asian	3 %	0 %
Black or African American	14 %	.3 %
Native Hawaiian or other Pacific Islander	.5 %	0 %
White	74 %	21 %
American Indian <i>and</i> White	1 %	0 %
Asian and White	2 %	.3 %
Black and White	1 %	.3 %
American Indian <i>and</i> Black	0 %	0 %
Multi-Racial	4 %	4 %
TOTAL	100%	
Female-Headed Households (out of above total)	55 %	18 %

### **PROJECT MANAGEMENT & FINANCIAL DATA**

13. If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

See attached.

14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

Funds from previous years were fully expended. For the current year, we are on track to expend grant funds before the end of the fiscal year 2018-19, though we have not been able to draw down funds because we just received our executed contract last week.

15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements?

FHAM has administered federal grant programs for decades, receiving funding directly from HUD annually, through the Fair Housing Initiatives Program since the 1990's and HUD's Comprehensive Housing Counseling Program since 2009. In addition, we have received funding from Marin County for decades, and more recently CDBG funds from other jurisdictions (Sonoma County, Santa Rosa, Fairfield, Vallejo). We are familiar with HUD requirements on all aspects of grant administration, from personnel matters to billing and financial record-keeping and reporting.

FHAM does not employ construction workers; Davis-Bacon does not apply to FHAM's employees/contractors.

# 16. Describe who will supervise and manage the project and their past experience with project management.

FHAM's Executive Director, Caroline Peattie, with over 30 years fair housing experience and project management in Marin since 2002, provides overall grant supervision as well as ongoing work with and in the county to affirmatively further fair housing. Supervising Attorney, Casey Epp, with 6 years fair housing experience and project manager on CDBG grants, supervises the housing counseling team and conducts fair housing training for the housing industry with assistance from other staff. Bilingual Education Director, Adriana Ames, with 24 years fair housing experience and project manager on multiple grants, supervises education and outreach activities and organizes fair housing trainings and events and conducts pre-purchase counseling/education.

17. For Housing and Capital (construction and renovation) projects, list any entitlements, approvals, or authorizations that are necessary for the project to proceed.

# 6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

The mission of Fair Housing Advocates of Marin (a division of Fair Housing Advocates of Northern California) is "to ensure equal housing opportunity and to educate our communities on the value of diversity in our neighborhoods."

FHAM provides the following services: (1) housing counseling for individual tenants and homeowners; mediations and case investigation; (3) referral of and representation in complaints to state and federal enforcement agencies; (4) intervention for people with disabilities requesting reasonable accommodations and modifications; (5) fair housing training seminars for housing providers, community organizations, and interested individuals; (6) systemic discrimination investigations; (7) monitoring Craigslist for discriminatory advertising; (8) education and outreach activities to members of protected classes on fair housing laws; (9) foreclosure prevention and prepurchase counseling/education for people in protected classes who may be victims of predatory lending; (10) Affirmatively Furthering Fair Housing (AFFH) training and activities to promote fair housing for local jurisdictions and county programs.

In 2017-18, the organization served 1,359 clients (tenants, homeowners, social service providers, and advocates); provided counseling on 469 fair housing cases, intervened for 67 reasonable accommodations granted of 78 requested for people with disabilities; funded 17 reasonable modification requests to improve accessibility for people with disabilities; investigated 71 rental properties for discriminatory practices, filed 13 administrative fair housing complaints and 2 lawsuits; garnered \$38,125 in settlements for clients and the agency; counseled 101 distressed homeowners and assisted homeowners in acquiring \$833,829 through Keep Your Home California programs to prevent foreclosure; educated 264 prospective homebuyers; trained 144 housing providers on fair housing law and practice; reached 418 tenants and staff from service agencies through fair housing presentations and 166 community members through fair housing Poster Contest from 10 local schools and 16 students participate in our first Fair Housing Poetry Contest from 11 local schools; and offered Storytelling shows about diversity and acceptance to 2,630 children attending 16 Storytelling shows.

FHAM provides free services to its clients in all its service areas (Marin County, Sonoma County, Santa Rosa, Fairfield, and Vallejo).

# 7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

Please see description of services listed under #6, above, all of which are offered in Marin County. As the only HUD-certified Housing Counseling Agency in the county, as well the only fair housing agency with a testing program in the county, Fair Housing Advocates of Marin (FHAM) provides free services to residents protected under federal and state fair housing laws. FHAM helps people address discrimination they have experienced, increasing housing access and opportunity through our advocacy as well as requiring housing providers to make changes in discriminatory policies. Historically, FHAM's fair housing services have been especially beneficial to Latinos, African-Americans, people with disabilities, immigrants, families with children, female-headed households (including victims of domestic violence and sexual harassment), and senior citizens; approximately 90% of our clients are low-income. FHAM's education services are also available to members of the housing, lending, and advertising industry. Providing industry professionals with information about their fair housing responsibilities is another means by which FHAM decreases incidences of discrimination and helps to protect the rights of members of protected classes.

# 8. HUD National Objective to be served (check at least one):

Х	Activities benefiting low and moderate-income persons. (LMI)
X	Activities benefiting low and moderate area. (LMA)
	Activities which aid in the prevention or elimination of slums or blight.

# 9. How will this project affirmatively further fair housing?

FHAM is committed to affirmatively furthering fair housing and implementing an AFFH plan that works to address and overcome the impediments to fair housing choice that exist in Marin County. Through its proposed project, FHAM will address its obligation to affirmatively further fair housing by operating a full-service fair housing center experienced in fair housing counseling, investigation and enforcement activities, loan modification and mortgage rescue intervention, and fair housing and fair lending education and outreach.

In addition, FHAM has much to offer the county with regard to expertise in matters relating to Marin County's Voluntary Compliance Agreement and HUD's existing national mandate that jurisdictions receiving federal funds must Affirmatively Further Fair Housing (AFFH). FHAM can assist policymakers to better understand their obligations under the new community redevelopment initiative aimed at promoting diverse, inclusive communities and overcoming the negative effects of segregation which began with a regulation issued by the Department of Housing and Urban Development ("HUD") in July 2015 but which may be re-issued under the current administration. FHAM can offer guidance to municipalities and affordable housing providers as policies change; FHAM's Executive Director is part of a national AFFH Working Group. AFFH has historically been the focus of much of FHAM's work; FHAM has presented an annual AFFH conference since 2015 to bring together advocates, policymakers, and community members to address how the county can address AFFH, including the nexus between fair housing, affordable housing, health, education, transportation, and employment. FHAM can offer information on the status of AFFH implementation and offer up-to-date guidance on the requirement of the Assessment of Fair Housing, or Analysis of Impediments, whichever is required of

HUD in the coming years. The Executive Director is continuing to serve on the county's Assessment of Fair Housing Steering Committee during the coming year.

Virtually all of the agency's clients are among the protected classes, as that is an eligibility requirement to receive fair housing counseling services. Each individual seeking our services goes through intake to determine if they are members of a protected class and whether they have a fair housing issue; their case is assessed for the best approach based on the client's desired outcome, whether the alleged fair housing violation can be corroborated through testing and other factors. Counselors advise clients of their options for seeking redress, which may include investigations and intervention/mediation, administrative complaints, or lawsuits. Therefore, members of protected classes are informed of their rights under federal, state, and local fair housing law, and agency staff attorneys and housing counselors represent protected class clients as needed throughout mediations, intervention, and/or the administrative complaint process or lawsuits. In some cases, FHAM files an administrative complaint or lawsuit in order to change discriminatory policies of housing providers and effect change for protected classes. In addition, FHAM provides fair housing education to housing providers so they will understand their obligation to follow fair housing law and treat members of protected classes fairly; service providers for better referrals; and the community so that members of protected classes can better assert their fair housing rights and help disseminate this information to others. (Please also see "ADDENDUM: AFFH Detail," below.)

# 10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

Our agency reaches those least likely to apply for services through the following:

· Translating much of our literature into Spanish;

 $\cdot\,$  Continuing to advertise all programs/services in all areas of Marin, including the Canal, Novato and Marin City;

· Maintaining a website with information translated into Spanish and Vietnamese;

 $\cdot$  Maintaining bilingual staff: currently we have 4 bilingual Spanish speakers who offer intake, counseling, education and outreach to monolingual Spanish speakers; in addition, we have a staff member who is bilingual in Chinese and another in Portuguese.

· Maintaining a TTY/TDD line to assist in communication with clients who are deaf/hard of hearing

· Offering translation services in other languages when needed;

· Conducting outreach and fair housing and pre-purchase presentations in English and Spanish;

• Collaborating with agencies providing services to all protected classes, providing fair housing education to staff and eliciting help to reach vulnerable populations – e.g. Legal Aid of Marin, the Asian Advocacy Project, Canal Alliance, ISOJI, MCIL, Sparkpoint, the District Attorney's Office, Office of Education, and the Marin Housing Authority.

(See also section under #7 above.)

# 11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly</u> <u>benefit from</u> <u>the program/project?</u> (Use the income level table found in the Application Guidelines document):

Moderate-Income	6%
Low-Income	32%
Very Low-Income	16%
Extremely Low-Income	62%

12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who</u> <u>will directly</u> <u>benefit from the program/project:</u>

Ethnic Category	Total Persons	Identifying as Hispanic
American Indian or Alaskan Native	.5%	.3%
Asian	3%	0%
Black or African American	14%	.3%
Native Hawaiian or other Pacific Islander	.5%	0%
White	74%	21%
American Indian <i>and</i> White	1%	0%
Asian and White	2%	.3%
Black and White	1%	.3%
American Indian <i>and</i> Black	0%	0%
Multi-Racial	4%	4%
TOTAL	100%	
Female-Headed Households (out of	55%	18%

# PROJECT MANAGEMENT & FINANCIAL DATA

# 13. If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

During FY2017-18, FHANC counseled 453 tenants and homeowners in Marin County, screening clients for fair housing issues and providing appropriate referrals for clients who did not allege discrimination or have a disability-related need in their housing or were out of FHANC's service area. Of the households counseled, 251 alleged discrimination and were referred to an attorney or bilingual housing counselor for further assistance (e.g. receiving information on fair housing laws, interventions with housing providers requesting relief from discriminatory behavior, making 42 reasonable accommodation requests on behalf of disabled tenants, 8 referrals to HUD/DFEH and representation in administrative complaints). Though the complaints FHANC received were on every federal and protected basis, the fair housing administrative complaints filed with the Dept. of HUD or the California Department of Fair Housing and Equal Opportunity alleged discrimination on the basis of disability, race, national origin, gender, and familial status.

FHANC also conducted systemic race discrimination investigations as well as complaint-based testing, with testing for race, national origin, disability, gender, and familial status discrimination.

FHANC monitored Craigslist for discriminatory advertising, with the additional recently added protection for individuals using housing subsidies in unincorporated parts of Marin. FHANC notified 77 housing providers in Marin during the year regarding discriminatory language in their advertisements.

FHANC engaged in education and outreach efforts to reach individuals most likely to be victims of discrimination and least likely to contact FHANC, through fair housing training to housing providers (including MHA) coordinating with service providers, placing fair housing ads, and distributing literature. FHANC also conducted pre-purchase education events in Spanish and in English in collaboration with Marin Housing Authority to promote homeownership to low-income residents, covering topics such as preparing to buy a home, taking steps to homeownership, obtaining a loan, affordable housing programs, and predatory lending.

FHANC hosted the 2018 School Education Programs that included the Storyteller program ("The Colors of Diversity"), the Fair Housing Poster Contest, and a new program, the Poetry Contest, to celebrate diversity and promote respect in our schools and neighborhoods.

FHANC staff have undertaken advocacy and numerous activities to AFFH such as participating on the County's AFH Steering Committee, supporting the passage of anti-discrimination ordinances for tenants with housing subsidies in Novato and Fairfax and a Just Cause Eviction ordinance in the county (through letter-writing, presentations, social media, and public comment).

Additionally, FHANC produced and hosted an all-day Fair Housing Conference during Fair Housing Month to commemorate the passage of the Fair Housing Act 50 years ago: "Past Accomplishments, Future Challenges."

# 14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

Funds from previous years were fully expended. For the current year, we are on track to expend grant funds before the end of the fiscal year 2018-19, though we have not been able to draw down funds because we just received our executed contract last week.

# 15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements?

FHAM has administered federal grant programs for decades, receiving funding directly from HUD annually, through the Fair Housing Initiatives Program since the 1990's and HUD's Comprehensive Housing Counseling Program since 2009. In addition, we have received funding from Marin County for decades, and more recently CDBG funds from other jurisdictions (Sonoma County, Santa Rosa, Fairfield, Vallejo). We are familiar with HUD requirements on all aspects of grant administration, from personnel matters to billing and financial record-keeping and reporting.

FHAM does not employ construction workers; Davis-Bacon does not apply to FHAM's employees/contractors.

# 16. Describe who will supervise and manage the project and their past experience with project management.

FHAM's Executive Director, Caroline Peattie, with over 30 years fair housing experience and project management in Marin since 2002, provides overall grant supervision as well as ongoing work with and in the county to affirmatively further fair housing. Supervising Attorney, Casey Epp, with 6 years fair housing experience and project manager on CDBG grants, supervises the housing counseling team and conducts fair housing training for the housing industry with assistance from other staff. Bilingual Education Director, Adriana Ames, with 24 years fair housing experience and project manager on multiple grants, supervises education and

outreach activities and organizes fair housing trainings and events and conducts pre-purchase counseling/education.

Date

# **ADDENDUM: AFFH Detail**

# **QUESTION #9: Furthering Marin's Fair Housing Goals: AFFH Detail**

FHAM conducted the 2010 Analysis of Impediments to Fair Housing Choice for Marin County. With this project, FHAM plans to address impediments to housing choice by engaging in the following activities:

• FHAM will maintain an accessible office where residents can come to obtain fair housing and equal opportunity materials and participate in fair housing educational activities, as well as report and file complaints of suspected or perceived housing discrimination.

• FHAM will maintain its website and ensure that it details the advocacy, programs, counseling and complaint intake services offered to residents by FHAM.

• FHAM will utilize its Spanish language materials in the provision of all fair housing education/outreach services within the county, and offer interpretative services to non-English speaking individuals who contact FHAM seeking assistance.

• FHAM will advertise, promote, and solicit responses from participants regarding the need for ASL and foreign language interpretation services in the provision of all fair housing education/outreach and enforcement services, and make ASL and foreign language interpretation services available at all events where prospective participants indicate a need for the interpretation services at least five days in advance of the event.

• FHAM will continue to implement its fair housing education and outreach program.

• FHAM will serve as an advocate and educational resource to local elected officials and municipal staff at all levels about the obligations of recipients of federal funds to affirmatively further fair housing.

• FHAM will make its staff available for guest speaker appearances on radio/television talk and feature programs, at conferences and workshops, when requested, and will disseminate fair housing literature through various methods as appropriate.

• FHAM will continue to monitor online housing advertisements and provide education and advocacy that discourages discriminatory advertising and statements practices in all forms.

• FHAM will counsel complainants who have encountered illegal discrimination of options available and provide assistance to complainants in filing administrative complaints as well as lawsuits, as appropriate.

• FHAM will maintain its testing program in the County, doing testing upon complaint and in audits for housing discrimination. FHAM will be an organizational complainant and initiate administrative complaints and/or lawsuits as appropriate, based upon testing evidence obtained.

• FHAM will be a proactive advocate for the effective enforcement and utilization of the federal Fair Housing Amendments Act, the California Fair Employment and Housing Act, and HUD Guidelines and Recommendations that exist to discourage and eliminate housing discrimination based on any protected class.

• FHAM will counsel homeowners and loan applicants who may have experienced lending discrimination in violation of the Fair Housing Amendments Act, and provide foreclosure prevention intervention services to residents at risk of foreclosure or who are facing the loss of their primary residence due to imminent foreclosure when appropriate, as resources allow.

• FHAM will provide pre-purchase counseling/education to homebuyers so they can better identify fair lending violations and avoid predatory loans, as resources allow.

The above activities will help to overcome impediments to fair housing choice by protecting people in protected classes from discrimination in the housing market, increasing housing stability by fair housing advocacy and education for people from protected classes, and expanding housing options available to families by helping to ensure open, diverse, and equitable communities through continued outreach and enforcement.

Program Support Center Financial Management Portfolio Cost Allocation Services

1301 Young Street, Room 732 Dallas, TX 75202 PHO NE: (214) 767-3261 FAX: (214) 767-3264 EMAIL: CAS-Dallas@psc.hhs.gov

April 12, 2018

Ms. Caroline Peattie, Executive Director Fair Housing Advocates of Northern California 1314 Lincoln Avenue San Rafael, CA 94901

Dear Ms. Peattie:

A copy of an Indirect Cost Rate Agreement is being e-mailed to you for signature. This agreement is issued on behalf of your organization's cognizant agency, Department of Housing and Urban Development. It reflects rate (s), as stated in our e-mail to you dated April 12, 2018, that may be used to support your claim for indirect costs on grants and contracts with the Federal Government.

Please have the agreement signed by an authorized representative of your organization and e-mail it to me, retaining a copy for your files. We will reproduce and distribute the Agreement to the appropriate awarding organizations of the Federal Government for their use.

An indirect cost proposal, together with the supporting information, is required to substantiate your claim for indirect costs under grants and contracts awarded by the Federal Government. Thus, your next proposal based on actual costs for the fiscal year ending 6/30/18 is due December 31, 2018 to:

Department of Housing and Urban Development Attn: Norweater Mitchell 451 7<sup>th</sup> Street, SW Room 5218 Washington, DC 20410 (202) 402-3146 norweater.a.mitchell@hud.gov

Thank you for your cooperation. Should you have any questions, please contact Pamela Page at (214) 767-6505.

Sincerely, Darryl W. Mayes -S Darryl Mayes Darryl Mayes Deputy Director Cost Allocation Services

### \*BASE

Direct salaries and wages including all fringe benefits.

ORGANIZATION: Fair Housing Advocates of Northern California (formerly Fair Housing of Marin) AGREEMENT DATE: 4/12/2018

### SECTION II: SPECIAL REMARKS

#### TREATMENT OF FRINGE BENEFITS:

The fringe benefits are specifically identified to each employee and are charged individually as direct costs. The directly claimed fringe benefits are listed below.

### TREATMENT OF PAID ABSENCES

Vacation, holiday, sick leave pay and other paid absences are included in salaries and wages and are claimed on grants, contracts and other agreements as part of the normal cost for salaries and wages. Separate claims are not made for the cost of these paid absences.

### DEFINITION OF EQUIPMENT

Equipment is defined as tangible nonexpendable personal property having a useful life of more than one year and an acquisition cost of \$750 or more per unit.

The following fringe benefits are treated as direct costs: FICA, WORKERS COMPENSATION, UNEMPLOYMENT INSURANCE, AND HEALTH/DENTAL/LIFE INSURANCE.

#### NEXT PROPOSAL DUE DATE

An indirect cost proposal based on actual costs for fiscal year ending 06/30/18 will be due no later than 12/31/18.

This Rate Agreement is issued in accordance with the Customer Service Agreement (CSA) between DHHS/CAS and HUD.

ORGANIZATION: Fair Housing Advocates of Northern California (formerly Fair Housing of Marin)

AGREEMENT DATE: 4/12/2018

#### SECTION III: GENERAL

#### A. LIMITATIONS:

The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions: (1) Only costs incurred by the organization were included in its indirect cost pool as finally accepted: such costs are legal obligations of the organization and are allowable under the governing cost principles; (2) The same costs that have been treated as indirect costs are not claimed as direct costs; (3) Similar types of costs have been accorded consistent accounting treatment; and (4) The information provided by the organization which was used to establish the rates is not later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

#### в. ACCOUNTING CHANGES:

This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in the charging of a particular type of cost from indirect to direct. Failure to obtain approval may result in cost disallowances.

#### C. FIXED RATES:

If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

#### D. USE BY OTHER FEDERAL AGENCIES:

The rates in this Agreement were approved in accordance with the authority in Title 2 of the Code of Federal Regulations, Part 200 (2 CFR 200), and should be applied to grants, contracts and other agreements covered by 2 CFR 200, subject to any limitations in A above. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the Agreement.

#### E. OTHER:

If any Federal contract, grant or other agreement is reimbursing indirect costs by a means other than the approved rate(s) in this Agreement, the organization should (1) credit such costs to the affected programs, and (2) apply the approved rate(s) to the appropriate base to identify the proper amount of indirect costs allocable to these programs.

PHONE	415-492-9230	

4. Planning Areas Served: Indicate what geographic area the requested funding will serve. <u>Please indicate</u> <u>approximate % of services provided in each area.</u> For Housing projects with current residents, please indicate where your project is located.

Novato	San Rafael	County Other	Total
34%	45%	21%	100%

### 5. What prior years have you been funded by CDBG/HOME

Year Funded	2017/2018	2015/2016	2014/2015
Grant Amount	\$10,000	\$14,770	\$13,990
Amount Expended	\$10,000	\$14,770	\$13,990

# 6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

The Family & Children's Law Center (FACLC) enables children and families to enjoy a more successful future by helping them to navigate the legal system. We provide high-quality, low-cost legal services to children and families on matters ranging from domestic violence to child custody and support. We are advocates for the needs and rights of children and serve all forms of families.

FACLC has a history that mirrors the growth and development of Marin County. It was born from the spirit of our diverse community members and has grown and flourished because of their commitment to our mission.

At the time of its inception, our organization was named the Family Law Center and was our response to the issues presented by the Marin County Women's Commission. In 2003, we reassessed our community and decided to broaden our scope. Because of our dedication to helping low-income families navigate the legal system, and our increasing focus and support of children, we changed our name to The Family & Children's Law Center, which reflects the services we provide today.

We serve low income residents of Marin County who are unable to afford the services of a private attorney. In our 33-year history, we have served thousands of clients. In 2017, FACLC served 1,545 clients, almost 1,000 of whom received full legal representation; in the first half of 2018, FACLC served 800 clients, with 665 receiving full legal representation. Ninety-five percent of clients are very-low or low-income; seventy percent are women. FACLC is the only legal services organization that will help a victim of domestic violence obtain a restraining order, regardless of income or ability to pay. We prepare the paperwork to obtain a temporary restraining order, and will accompany her or him to court for the "permanent" restraining order hearing.

In our thirty three year history in Marin we have helped thousands of low-income families and children navigate the legal system. Our seasoned, full time attorneys provide high-quality, low-cost legal services in matters ranging from divorce and domestic violence to child custody and support. Our 96% satisfaction rate is a testament to the commitment we have to serving the families of the county.

We understand how traumatic a family crisis can be and our approach is designed to make the process simple and clear to give our clients the peace of mind they need.

Over the past three years, in partnership with Canal Alliance, FACLC has provided specialized family law services required for pursuit of Special Immigrant Juvenile Status (SIJS) to 175 unaccompanied minors, and expects to serve 75 more SIJS-eligible youth in 2018. FACLC is one of four local organizations that has elected to participate in MCF's new strategy to expand the provision of immigration legal resources in Marin, and has been designated DOJ Recognized Organization for immigration legal services. FACLC also has two DOJ Accredited Representatives to complement the services it offers to immigrate clients.

7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

CDBG funding is intended to help FACLC support 60 very low-income women in our county as they go public with a very private matter, Domestic Violence. The support of CDBG will allow us to assist these vulnerable clients in obtaining Domestic Violence Restraining orders providing protection for victims who have been threatened or harmed. Also protected are the children of these victims, many of whom are victims of violence themselves. To paraphrase a recent client, it is not an overstatement to say that your grant will directly help save our clients lives.

8. HUD National Objective to be served (check at least one):

X	Activities benefiting low and moderate-income persons. (LMI)		
	Activities benefiting low and moderate area. (LMA)		
	Activities which aid in the prevention or elimination of slums or blight.		

### 9. How will this project Affirmatively Further Fair Housing?

This project does not directly resolve fair housing issues.

### 10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

The Domestic Violence Legal Services for Low Income Marin County Families Project is critical to the well-being stability and functionality of the low income families in our community. Equal access to justice is a basic right that should be afforded to all, regardless of income level. Without the services of the Family and Children's Law Center, low income individuals will be left to navigate a complex and overwhelming legal system on their own, leaving them to fend for themselves to obtain domestic violence restraining orders, child custody and support orders, and other court orders that ultimately provide security for at risk families. Most self-represented litigants do not have the resources or knowledge necessary to successfully represent themselves in court. Many of the issues faced in family law courts can be volatile and have long standing repercussions and implications that can negatively impact families and children who are forced to proceed without legal representation for many years to come. A report on our services prepared by the Marin Community Foundation indicates that our services had an economic impact of \$1.8 million reduction in domestic violence and its associated costs.

We will be conducting affirmative marketing to members of protected classes through our strategic partnerships with the Marin County Courts, the Center for Domestic Peace, The Marin County District Attorney, North Marin Community Services and Canal Alliance.

## 11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly benefit from</u> <u>the program/project?</u> (Use the income level table found in the Application Guidelines document):

Moderate-Income	
Low-Income	3
Very Low-Income	9
Extremely Low-Income	38

12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who will directly</u> benefit from the program/project:

Ethnic Category	Total Persons		Identifying as Hispani	ic
American Indian or Alaskan Native	1	%		%
Asian	3	%		%
Black or African American	3	%		%
Native Hawaiian or other Pacific Islander	0	%		%
White	86	%	50	%
American Indian <i>and</i> White	UNKNOWN	%		%
Asian and White	UNKNOWN	%		%
Black and White	UNKNOWN	%		%
American Indian and Black	UNKNOWN	%		%
Multi-Racial	7	%		%
TOTAL	100	%		
Female-Headed Households (out of above total)	70	%		%

### **PROJECT MANAGEMENT & FINANCIAL DATA**

### 13. If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

CDBG Funding has allowed victims of Domestic Violence to receive high quality, low cost legal services. The low income population is one with particular needs as they are disenfranchised due to low income, minimal resources and misinformation regarding the legal system. By providing low cost, high quality legal services the Family and Children's Law Center increases access to justice for a significant portion of the Marin County community, provides stability to families and children and safety for victims of Domestic Violence.

Our goal for 2017-18 was to provide 1500 low-income families with the legal support and advocacy they needed to obtain family law and domestic violence restraining orders. We far exceeded that goal. By the end of the fiscal year, 95% of our clients reported feeling they were better prepared for court, and 96% of clients reported satisfaction with the results they received in their cases.

"I would have died at the hands of my ex-husband, and to say that I wouldn't be here without FACLC is not an overstatement." --Gina

# 14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

There are no funds remaining			
	1		

15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements?

We have successfully administered CDBG and other federal grant funds in the past and are familiar with the data collection and reporting associated with said funding. 16. Describe who will supervise and manage the project and their past experience with project management.

This program is supervised and managed by our Executive Director, Kristine Fowler Cirby who is also a practicing attorney. Ms. Cirby is capable manager who has run our organization successfully for several years.

17. For Housing and Capital (construction and renovation) projects, list any entitlements, approvals, or authorizations that are necessary for the project to proceed.

Not Applicable

18. For HOME projects: Please describe how you will meet the 25% match requirement?

Not Applicable	

# 19. For HOME Projects are you a CHDO?

20. For Housing and Capital (construction and renovation) projects, what is your project timeline? List program/project objectives and milestones, along with an estimated timetable for reaching them. (*The general tasks for a construction project are provided below; please add tasks as needed*)

Task	Date of Completion
Define scope of work/finish design	
Complete planning & environmental review	
Release bid package	· · · · · · · · · · · · · · · · · · ·
Select contractor	
Finalize contract

Amount Expended		

# 6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

Legal Aid of Marin's mission is to provide access to the civil justice system to low-income, vulnerable and otherwise underserved residents of Marin County. We strive for practical solutions to client problems through quality legal service. Formed in 1958, Legal Aid of Marin provides low income residents in Marin County with direct representation, pro per assistance, pro bono services, outreach, policy advocacy and serves their interests through impact litigation. Our work with Marin County seniors and low-income residents improves social justice, economic equity and opportunity, assures due process and equal protection of the law, and assists in resolving legal disputes. We provide intakes and services in Spanish. Language accessible services are available in additional languages through our network of pro bono volunteers.

Our core programs include: Housing – eviction defense, habitability complaints, tenant education and organizing, security deposit recovery, homelessness prevention. Employment – minimum wage, overtime and break enforcement, employment discrimination, wrongful termination, retaliation, improper payroll deductions. Senior Legal Services – legal services targeted toward seniors, including housing, employment, wills and estates, consumer protection, and protection from financial elder abuse. Pro Bono Network – an innovative collaborative founded by Canal Alliance and Legal Aid of Marin that shares resources and staff in order to provide high-quality volunteer opportunities to pro bono lawyers, and in turn increase the amount of legal services representation available to low-income clients in Marin. Marin Community Court – a restorative justice court that allows Marin residents to eliminate fees for poverty-related civil infractions such as camping, jaywalking, and parking tickets. Consumer/Debt Law – unfair debt collection, consumer fraud, unfair business practices, insurance claims, claims of exemption, financial elder abuse.

In 2018, Legal Aid of Marin will close an estimated 1,100 cases representing over 2,000 household members. The estimated share of major subject areas for our closed cases will include: housing (35%); employment (10%); individual rights (community court) cases (31%); wills and estates (8%); family law (3%); consumer law (4%); torts, health care, income maintenance, and other areas (10%).

# 7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

Marin County's rental crisis has continued to escalate. Housing cases, primarily, if not exclusively, involving landlord-tenant disputes, represent approximately 35% of the case work LAM staff members handle. Among other matters, LAM staff assist clients with preserving Marin's scarce supply of low-cost housing, addressing management problems in low-cost housing, securing needed repairs to poor housing conditions, and heading off unlawful and retaliatory rent increases and evictions. Each time someone loses the struggle against eviction and becomes homeless or is forced to leave Marin County, the community loses the dignity and diversity that gives it its spirit. By providing eviction defense services, LAM helps ensure that low-income people in the community meet this most basic need and are able to stay in Marin County.

The housing crisis in Marin and the need to keep families in their homes continues to be a highest priority. Over a third of the cases accepted last year were landlord/tenant and housing matters. Each Tuesday and Thursday morning at 9:00 a.m. LAM holds walk-in clinics to assist those facing eviction. Every other Thursday afternoon LAM coordinates a "Mandatory Settlement Conference" for the Marin Superior Court to assist Tenants and Landlords with the opportunity to work out a settlement just before they would go to trial. With limited (though recently improved) renter protections in Marin and the lack of affordable housing, most times the best option is to negotiate keeping the family in their current location, or ensuring sufficient time to move and protect the family's credit. This program is staffed by pro bono volunteers and part-time LAM staff. In FY2019, we will handle approximately 350 clients through our walk-in clinics and 95 individuals through our Mandatory Settlement Conference clinics.

Additionally, through our partnership with Canal Alliance, LAM conducts bilingual housing outreach efforts three days per month, where we counsel immigrant tenants and often take them on as clients for eviction defense and habitability work. As of January 2019 we will conduct monthly bilingual housing intake at North Marin Community Services in Novato as well. In FY2019, we will handle approximately 50 clients through our outreach efforts at Canal Alliance and North Marin Community Services.

Finally, the project also will serve Marin seniors. Historically, 40% of Legal Aid of Marin housing clients are seniors who, like our Black and immigrant clients (many of whom also are seniors), struggle to stay in the County that they call home.

# 8. HUD National Objective to be served (check at least one):

$\times$	Activities benefiting low and moderate-income persons. (LMI)
	Activities benefiting low and moderate area. (LMA)
X	Activities which aid in the prevention or elimination of slums or blight.

# 9. How will this project Affirmatively Further Fair Housing?

The project will affirmatively further fair housing by improving and protecting housing access for members of protected classes in Marin, including immigrants, African-American residents, persons with disabilities, and families with children. It will affirmatively help diverse individuals to live in Marin. Approximately one third of housing clients served will be Latino, and approximately one quarter of clients served will be monolingual Spanish speakers. Approximately 10% or more of clients served will be African American. County-wide, 16% of the County's population are Latino, and 3% are African American. (Source: U.S. Census, QuickFacts, Marin County, California). Black and Latino Marin residents are far more likely to be renters than homeowners. Marin's Black and Latino populations are disproportionately poor. Marin County's Black population experiences poverty at a rate of 28%, and its Latino population experiences poverty at a rate of 21% - whereas just 5.5% of its White population experiences poverty. (Source: racecounts.org). 72% and 74% of Black and Latino households rent, respectively, versus just 33% of White households. (Source: County of Marin, Assessment of Fair Housing Update to the Board of Supervisors, June 12, 2018.) Protecting low-income tenants protects Marin's diversity and thereby affirmatively furthers fair housing. The project also will affirmatively further fair housing by protecting families with children and persons with disabilities living in Marin – 36% and 29% of housing clients served historically.

# 10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

LAM reaches over 1000 individual clients each year and conducts outreach at various locations throughout the County, including through reaching out to conduct intake in the predominately Latino immigrant Canal neighborhood of San Rafael, through reaching out to meet regularly with public housing tenants in Marin City, home to many County African American residents, and through regularly scheduled intake sessions at North Marin Community Services in Novato, a location that many low-income families turn to for support. We will conduct approximately 50 community-based, bilingual housing intake sessions at Canal Alliance and North Marin Community services in Novato, and at least five community-based meetings with tenants in Marin City. We also make regular community presentations at locations throughout the County, and expect to reach at least 200 low-income renters, seniors, families with children, immigrants, and persons with disabilities, through these activities. Three quarters of Legal Aid of Marin staff speak Spanish at least proficiently, and half of our staff are bilingual/bicultural in English and Spanish. These outreach activities and capacities allow Legal Aid of Marin to advertise the project's services and reach out directly to the communities in need of services.

11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly benefit from</u> the program/project? (Use the income level table found in the Application Guidelines document):

Moderate-Income	minimal	
Low-Income	minimal	
Very Low-Income	500	
Extremely Low-Income	1,500	

12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who will directly</u> benefit from the program/project:

Ethnic Category	Total Persons		Identifying as Hispani	с
American Indian or Alaskan Native	1	%		%
Asian	2	%		%
Black or African American	14	%	3	%
Native Hawaiian or other Pacific Islander		%		%
White	79	%	30	%
American Indian <i>and</i> White		%		%
Asian and White		%		%
Black and White		%		%
American Indian and Black		%		%
Multi-Racial	4	%		%
TOTAL	100	0%		
Female-Headed Households (out of above total)	62	%	62	%

# **PROJECT MANAGEMENT & FINANCIAL DATA**

13. If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

Not applicable

14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

Not applicable

15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements?

LAM annually receives and manages \$25,000 in federal Area Agency on Aging funds, administered by the County of Marin, for legal services to Marin seniors. We report expenditures and services delivered monthly.

#### 16. Describe who will supervise and manage the project and their past experience with project management.

The project will be overseen by David Levin, Managing Attorney, and Stephanie Haffner, Executive Director.

David Levin oversees all legal work for Legal Aid of Marin and is also LAM's lead housing attorney, and has overseen all LAM legal projects for the past four years. Prior to joining LAM, he oversaw the federally funded FHIP fair housing program at Bay Area Legal Aid. He began his law practice at the law firm of Morrison and Foerster, and has over 20 years of legal experience.

Stephanie Haffner has a 15-plus year background in housing law advocacy, and as Executive Director is responsible for all aspects of Legal Aid of Marin's operations. She is a graduate of UC Berkeley Law School and possesses over 20 years of progressively responsible experience in California civil legal services. Her project management experience includes directing major cases and impact litigation at Western Center on Law & Poverty (1 year as litigation director, 6 years as senior litigator for major cases and impact litigation); and supervising all housing and consumer advocacy, with a staff of 5 to 15 people at various times, at Neighborhood Legal Services of Los Angeles County (5 years).

17. For Housing and Capital (construction and renovation) projects, list any entitlements, approvals, or authorizations that are necessary for the project to proceed.

**18.** For HOME projects: Please describe how you will meet the 25% match requirement?

#### **19.** For HOME Projects are you a CHDO?

20. For Housing and Capital (construction and renovation) projects, what is your project timeline? List program/project objectives and milestones, along with an estimated timetable for reaching them. (*The general tasks for a construction project are provided below; please add tasks as needed*)

Task	Date of Completion
Define scope of work/finish design	
Complete planning & environmental review	
Release bid package	
Select contractor	
Finalize contract	
Obtain building permits	
Start construction	
Complete Construction	

21. Please sign and date your application below:

# 2019/20 COMMUNITY DEVELOPMENT BLOCK GRANT AND HOME PROGRAM APPLICATION FOR FUNDING

1. Indicate type of project. If your project allows, you may apply under multiple categories.

CDBG Public Services	CDBG Public Facilities/Improvements	
CDBG Housing Construction/Acquisition	HOME Housing Construction/Acquisition	
CDBG Housing Rehabilitation	HOME Housing Rehabilitation	

# 2. Organization (Fiscal Sponsor) General Information:

ORGANIZATION/AGENCY NAME	
MAILING ADDRESS	
WEBSITE	
ORGANIZATION DUNS#	
EXECUTIVE DIRECTOR/CEO	
EMAIL ADDRESS	
PHONE	

#### 3. Project General Information:

PROGRAM/PROJECT NAME	
PROGRAM/PROJECT SITE ADDRESS	
CDBG/HOME FUNDING AMOUNT REQUESTED	\$
APPLICATION CONTACT PERSON	
E-MAIL ADDRESS	
PHONE	

4. Planning Areas Served: Indicate what geographic area the requested funding will serve. <u>Please indicate</u> <u>approximate % of services provided in each area.</u> For Housing projects with current residents, please indicate where your project is located.

Novato	San Rafael	County Other	Total
			100%

# 5. What prior years have you been funded by CDBG/HOME

Year Funded		
Grant Amount		
Amount Expended		

6. Organizational Overview: Provide a brief description of your organization including mission, programs, number of clients served, etc.:

7. Project Description: Provide a detailed scope of work including services to be provided and/or development activities to be engaged. Describe how this project will benefit the community.

8. HUD National Objective to be served (check at least one):

Activities benefiting low and moderate-income persons. (LMI)
Activities benefiting low and moderate area. (LMA)
Activities which aid in the prevention or elimination of slums or blight.

9. How will this project Affirmatively Further Fair Housing?

10. Describe how this project will conduct affirmative marketing to members of the Protected Classes?

11. Approximately how many moderate, low, very low, and extremely low-income persons <u>will directly benefit from</u> <u>the program/project?</u> (Use the income level table found in the Application Guidelines document):

Moderate-Income	
Low-Income	
Very Low-Income	
Extremely Low-Income	

12. Estimate the demographics of the moderate, low, very low, and extremely low-income persons <u>who will directly</u> <u>benefit from the program/project:</u>

Ethnic Category	Total Persons	Identifying as Hispanic
American Indian or Alaskan Native	%	%
Asian	%	%
Black or African American	%	%
Native Hawaiian or other Pacific Islander	%	%
White	%	%
American Indian <i>and</i> White	%	%
Asian and White	%	%
Black and White	%	%
American Indian <i>and</i> Black	%	%
Multi-Racial	%	%
TOTAL	100%	
Female-Headed Households (out of above total)	%	%

# **PROJECT MANAGEMENT & FINANCIAL DATA**

**13.** If funded previously, list past project goals and accomplishments/activities using CDBG/HOME funds.

14. If your agency has remaining CDBG/HOME funds previously approved, please describe timeline for expending fund balance:

15. Describe your organizations experience with administering federal grant programs? For Housing and Capital (construction and renovation) projects, what experience do you have with complying with <u>Davis-Bacon</u> prevailing wage requirements? 16. Describe who will supervise and manage the project and their past experience with project management.

17. For Housing and Capital (construction and renovation) projects, list any entitlements, approvals, or authorizations that are necessary for the project to proceed.

**18.** For HOME projects: Please describe how you will meet the 25% match requirement?

# 19. For HOME Projects are you a CHDO?

20. For Housing and Capital (construction and renovation) projects, what is your project timeline? List program/project objectives and milestones, along with an estimated timetable for reaching them. (*The general tasks for a construction project are provided below; please add tasks as needed*)

Task	Date of Completion
Define scope of work/finish design	
Complete planning & environmental review	
Release bid package	
Select contractor	
Finalize contract	
Obtain building permits	
Start construction	
Complete Construction
