COUNTYWIDE PRIORITY SETTING COMMITTEE
PUBLIC HEARING

Monday, September 30, 2013
7:00 p.m.

Marin Health & Wellness Campus
3240 Kerner Boulevard, Room 110
San Rafael

AGENDA

1. Opening Comments.

2. Request for public comment on the Consolidated Plan, housing and non-housing community development needs of lower income people, and the past performance of the County's Community Development Block Grant (CDBG), HOME, and Housing Opportunities for Persons with AIDS (HOPWA) programs.

   This is an opportunity for the public to comment on community needs and general issues related to the CDBG, HOME, and HOPWA programs.

3. Selection of Priority Setting Committee members to represent the interests of racial and ethnic minorities and people with disabilities.

   Community residents have been invited to apply to be members of the Countywide Priority Setting Committee and its Local Area Committees. These committees oversee the distribution of CDBG and HOME Program funds in Marin County. The local governments in Marin have expanded the CDBG and HOME committees with the goal of increasing the diversity of these committees, and therefore this recruitment is specifically for individuals who represent the interests of racial and ethnic minorities and/or people with disabilities. The purpose of the expansion of the committees is to bring greater diversity to the group that (1) advises the Board of Supervisors on the CDBG and HOME funding allocation process and (2) provides input on the County's implementation of the Analysis of Impediments to Fair Housing Choice.

A note on conflicts of interest: HUD regulations distinguish between a personal interest and a financial conflict of interest. For example, a Priority Setting Committee member who has been a long-term advocate for arts education would have a personal interest that might affect their objectivity, but HUD would not consider that to be an impermissible conflict of interest. However, a Priority Setting Committee member (a decisionmaking position) who obtains a financial benefit for themselves or those with whom they have family or business ties, from their participation on the Priority Setting Committee, or for one year after, would have a conflict of interest. HUD has a procedure by which an exception to the conflict of interest regulations may be requested. A copy of the CDBG conflict of interest regulations is included below.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

**CDBG Conflict of Interest Regulations:**

**24 CFR 570.611: Conflict of interest.**

(a) **Applicability.**

(1) In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, shall apply.

(2) In all cases not governed by 24 CFR 85.36 and 84.42, the provisions of this section shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the recipient or by its subrecipients to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to §570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to §570.203, 570.204, 570.455, or 570.703(i)).

(b) **Conflicts prohibited.** The general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decisionmaking process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For the UDAG program, the above restrictions shall apply to all activities that are a part of the UDAG project, and shall cover any such financial interest or benefit during, or at any time after, such person's tenure.

(c) **Persons covered.** The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds under this part.

(d) **Exceptions.** Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it has satisfactorily met the threshold requirements of (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.
(1) **Threshold requirements.** HUD will consider an exception only after the recipient has provided the following documentation:

(i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(ii) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(2) **Factors to be considered for exceptions.** In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the recipient's program or project, taking into account the cumulative effect of the following factors, as applicable:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(ii) Whether an opportunity was provided for open competitive bidding or negotiation;

(iii) Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section;

(vi) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vii) Any other relevant considerations.

Owner of Sam’s House, Bolinas and Sam’s House North Tomales, Residential Care Facilities for the Elderly – for profit- through J M B Holdings Inc.

I offer help to low income people of West Marin, who have been hospitalized through accident or illness - hospitals’ discharge planners call to ask if I have openings for low or no income patients because it is not safe for their patient to go home and who are unable to pay to enter rehab “over the hill”.

Hospice care for those unable to die in their own homes due to unsuitable living arrangements or who may be homeless.

Safety after surgery when Medicare is not available and prohibitive costs of rehabilitation in rehab centers is not an option.

I use minority staffing so they can improve self-esteem and to feel more valuable in the community.

Disabled people can qualify as a resident and if able to switch roll to help others.

I try to facilitate improvement in people’s lives and the environment of West Marin.
