This Notice shall satisfy two separate but related procedural notification requirements for activities to be undertaken by the County of Marin.

REQUEST FOR RELEASE OF FUNDS

On or about April 14, 2022, the County of Marin will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of $250,000 in Community Development Block Grants/Entitlement Grants, as authorized by the Housing and Community Development Act of 1974, Title I, Part 24, Section 570, Public Law 93-383, 88 Stat. 633, 42 U.S.C. 5301-5321, as amended; to undertake a project known as the CoSR Canal Pump Stations for the purpose of rehabilitation of public facilities.

The Canal Area Pump Station Improvement Project consists of improvements to two pump stations located within the Canal area of the City of San Rafael: 400 Canal Pump Station and Kerner Pump Station. These pump stations are two of five pump stations that serve the drainage system for the Canal. Completion of the Canal Area Pump Station Improvement Project will help ensure that this community is continuing to receive flood protection from the drainage system in this area. The project consists of replacing the standby generators at the two pump stations. The generators, which were installed in 1984, have reached the end of their useful life. One is inoperable. Both will be replaced with new generators that meet current emission standards. Other proposed work includes replacement of the electrical transfer switches and replacement of a corroded trash grate at the 400 Canal St. pump station.

Total project cost is estimated to be $400,000.

FINDING OF NO SIGNIFICANT IMPACT

The County of Marin has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act (NEPA) of 1969 is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the County of Marin, and may be accessed via the following URL: https://www.onecpd.info/environmental-review/environmental-review-records

PUBLIC COMMENTS

Any individual, group or agency disagreeing with this determination or wishing to comment on the project may submit written comments to Housing and Federal Grants Division, County of Marin, Community Development Agency, via E-mail at federalgrants@marincounty.org, or by phone 415-473-6279. All comments received on or before April 14, 2022 will be considered by the County of Marin prior to submission of a request for release of funds. Comments should specify which Notice they are addressing.
ENVIRONMENTAL CERTIFICATION

The County of Marin certifies to the U.S. HUD that Matthew Hymel, in his capacity as County Administrator of the County of Marin and in his capacity as NEPA Certifying Officer consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD’s approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the County of Marin to use Program funds.

OBJECTIONS

U.S. HUD Office will accept objections to the Responsible Entity’s (RE) Request for Release of Funds and Environmental Certification for a period of fifteen days following the submission date specified above or the actual receipt of the request (whichever is later) only if they are on the following bases: (a) the certification was not executed by the Certifying Officer or other officer of the County of Marin approved by the U.S. HUD; (b) the RE has omitted a step or failed to make a determination or finding required by HUD regulations at 24 CFR Part 58 or by CEQ regulations at 40 CFR 1500-1508, as applicable; (c) the RE has omitted one or more steps in the preparation, completion or publication of the Environmental Assessment or Environmental Impact Study per 24 CFR Subparts E, F or G of Part 58, as applicable; (d) the grant recipient or other participants in the development process has committed funds for or undertaken activities not authorized by 24 CFR Part 58 before release of funds and approval of the environmental certification; (e) another Federal, State or local agency has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Section 58.75) and shall be submitted to CPD_COVID-19OEE-SFO@HUD.GOV. Potential objectors should contact HUD to verify the actual last day of the objection period.
