**§302(c)(4) Plan**

### §302(c)(4)(A)
Describe the manner in which allocated funds will be used for eligible activities.

The County of Marin will use PLHA funds to match portions of funds placed into the County’s Housing Trust Fund. The County’s Housing Trust Fund has two dedicated sources of funds: (1) Inclusionary fees paid by market-rate developers of multi-unit developments in lieu of constructed units or fractional units pursuant to the County’s Inclusionary Housing policy, and (2) Affordable Housing impact fees paid by property owners upon constructing or remodeling single family homes larger than 2,000 square feet, based on an increase in demand for affordable housing due to low paid jobs associated with this new development.

The Housing Trust projects targeted for PLHA matching funds are new construction of permanent supportive housing for people experiencing homelessness, new construction of veteran housing, and rehabilitation and new construction of family housing. The Housing Trust prioritizes rental housing that is restricted for a minimum of 55 years. Activities eligible for funding include predevelopment, construction, rehabilitation, and land acquisition.

### §302(c)(4)(B)
Provide a description of the way the Local Government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).

The County of Marin will prioritize projects that are rehabilitating and developing housing for those at or below 60% AMI. For those projects that include a mix of incomes, funds will be matched in proportion to the number of units that house 60 percent or below of AMI.

### §302(c)(4)(C)
Provide a description of how the Plan is consistent with the programs set forth in the Local Government’s Housing Element.

The Plan is consistent with the local Housing Element. Programs in our Housing Element promote increases in funding for affordable housing in a variety of ways, including Program 2.a: Make provisions for multifamily housing amenities, and Program 3.a: Apply long-term housing affordability controls. Program 3.m: Raise funds from a variety of sources to increase the creation of affordable housing. Therefore, the Plan detailed here is consistent with the Housing Element program priorities. In addition, the Plan is consistent with goals in the Housing Element, including Goal 2: Meet Housing Needs through a Variety of Housing Choices. Respond to the broad range of housing needs in Marin County by supporting a mix of housing types, densities, affordability levels, and designs.

### Activities Detail (Must Make a Selection on Formula Allocation Application worksheet under Eligible Activities, §301)

#### §301(a)(1)
The predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is affordable to extremely low, low, or moderate-income households, including necessary Operating subsidies.

#### §301(a)(2)
The predevelopment, development, acquisition, rehabilitation, and preservation of Affordable rental and ownership housing, including Accessory Dwelling Units (ADUs), that meets the needs of a growing workforce earning up to 120 percent of AMI, or 160 percent of AMI in high-cost areas. ADUs shall be available for occupancy for a term of no less than 30 days.

Once the County receives approval from HCO, staff will discuss priorities for PHFA funding with the Priority Setting Committee (PSC), a Countywide decision-making body that currently focuses on CDDB and HOME funding recommendations and represents all jurisdictions within the Urban County designation. In the late fall/early winter, Housing staff will present PSC recommendations and year 1 projects with matching fund amounts for approval to the Board of Supervisors for their approval and concurrence. Matching funds will be allocated in Winter 2020. Since the cities of San Rafael and Novato have reached the population threshold to apply for funds in their own if they choose not to participate in the CDDB entitlement County, staff will work closely with their staff to ensure their priorities are included prior to presenting ideas to the PSC (which includes representatives from each of these cities). They will also benefit from the County matching PHFA funds with Housing Trusts funds for projects in their jurisdictions. PHFA funding for the current cycle of funding is available.

$301(a)(8) Efforts to acquire and rehabilitate foreclosed or vacant homes and apartments.

Matching funds investments by both the county and the city also shall be a grant or low-interest deferred loan to the affordable housing Project.

Some specific activities, such as providing downpayment assistance to lower-income households for acquisition of an affordable home, could be included under either Activity 2 or 5. Please only choose one of these Activities; don't list the downpayment assistance under both Activities.

If the PLHA funds are used for the same Activity but for different Area Median Income (AMI) level, select the same Activity twice (or more times) and the different AMI level the Activity will serve.
