3. What about this issue is important to you and your community?

- the creek is a huge asset for our community -
keeping it dredged is vital for our way of life
- housing/building - keeping to the minimum + smaller
houses to blend in -
- also traffic is already bad - more houses make
worse

4. Do you have any suggestions about how to address your issues(s)?

- Dredging should be pushed forward hopefully with
the watershed plan we will have funding + inputs.
- traffic/housing go hand in hand - water + storm
on building - all 10 marks lack of water should
play into that
