7:35 PM: Open Time for public comments and approval of Minutes from previous meetings

1. Review and approval of minutes from prior meeting.
2. Design Review items (2)

DESIGN REVIEW ITEMS:

Project 1:

Project Planner: Jocelyn Drake

Applicant: Peter Clark

The applicant requests Site Plan Review approval to remove and replace an existing floating dock and two structural support beams located on an existing pier that extends out into the Strawberry Channel. The pier is located at the terminus of a path between 32 and 40 Harbor Cove Way. The public access floating dock has been in service for over 30 years, and per the project applicant, is nearing the end of its lifespan. As shown on the project plans, prepared by Clausen Structural Engineers, the wood framed floating dock would be demolished and replaced with a new floating dock, consisting of aluminum framing, hardwood decking, and plating encapsulated flotation units.

Project 2:

Project Planner Jocelyn Drake

Applicant Leanne Kreuzer, SRD General Manager, Strawberry Rec District

The applicant is returning and requesting Design Review approval to upgrade the outdoor lighting fixtures on the existing tennis courts located at the corner of Belvedere Drive and Ricardo Road. The tennis courts are part of the Recreation District's existing facility, which includes a playground, baseball field, recreation center, and outdoor swimming pools. The tennis courts are managed by District staff and open to the public for general recreational purposes.
