

Tam Design Review Board
C/O Doron Dreksler, 433 Wellesley Ave., Mill Valley, CA 94941
AGENDA - Public Hearing - March 7, 2018 - 7:00 PM

Call to order: 7PM

- Approval of minutes of Feb 7, 2018
- Correspondence
- Public comment on items not on the agenda

1. Lutzker Design Review and Variance, 214 Beryl Street, Mill Valley AP #051-181-29
Applicant: Geoffrey Butler Planner: Sabrina Sihakom

PROJECT SUMMARY:

The applicant requests Design Review and Variance approval to demolish an existing 664 square-foot single-family residence, and construct a new 1,610 square-foot single-family residence with a 582 square-foot attached garage on a 3,299 square-foot lot in unincorporated Mill Valley. The proposed development would have a building area of 2,010 square feet and a floor area of 1,610 square feet, resulting in a floor area ratio of 48.8 percent. The proposed building would reach a maximum height of 30 feet above surrounding grade. The house is proposed to be located 25 feet from the southeasterly front property line, 4 feet, 6 inches from the northeasterly side property line, 4 feet, 6 inches from the southwesterly side property line, and 32 feet, 4 inches from the northwesterly rear property line.

Design Review approval is required pursuant to Marin County Code Section 22.42.020.D because the project includes construction of a new single-family residence on a vacant lot that contains less than 50 percent of the minimum lot area as required by slope regulations for new lots. Variance approval is required because the project exceeds the maximum 30 percent floor area ratio established by the governing R1-B1 zoning district.

Zoning: R1-B1 (Residential, Single-Family, 6,000 square feet minimum lot size)
Countywide Plan Designation: SF6 (Single-Family, 4-7 units/acre)
Community Plan (if applicable): Tamalpais Area Community Plan

2. TAM DESIGN REVIEW BOARD BIENNIAL REPORT DISCUSSION & PREPARATION ,
