**Call to order: 7PM**

- Approval of minutes of October 17, 2018
- Correspondence
- Public comment on items not on the agenda

- 1. Reineck Design Review** , 522 Tamalpais Drive, Mill Valley AP: 047-062-17  
Applicant: Adam Reineck                      Planner: Chrisine Gimmler

**PROJECT SUMMARY:**

*NOTE: The project has been modified to utilize uncovered on-site parking in lieu of the previously proposed two-car garage.*

The applicant is requesting Design Review approval to remodel and enlarge an existing residence and detached studio and construct a new garage on the subject property. The existing 1,126 square foot residence would be partially remodeled and enlarged to 2,062 square feet primarily through addition of a 747 square foot second story above the remodeled kitchen/dining area. The existing 109 square foot detached studio would be expanded with the addition of a 448 square foot kitchen/living area and bathroom. Finally, a new 480 square foot detached two-car garage would be constructed at the southeast corner of the property. In combination, proposed development would result in a total floor area ratio of 11.2 percent on the 23,357 square foot (0.54 acre) lot. As proposed, the residence, detached studio and garage would attain maximum heights of 27 feet, 16 feet, and 14 feet above grade, respectively. The existing residence maintains a minimum setback of 9.4 inches to the eastern side property line, which would be reduced to 5.1 inches as a result of the addition. The studio addition would be located on the west side of the existing building, with minimum setbacks of approximately 40 feet to the rear (north) property line and 66 feet to the front (south) property line. Finally, the proposed garage would be sited with a zero-foot front setback on Tamalpais Drive, 3 feet from the side (east) property line.

Design Review approval is required pursuant to Section 22.42.020.A to allow for the construction of new structures and additions to existing structures in the RSP zoning district.

Zoning: RSP-7 Residential, Single Family Planned  
Countywide Plan Designation: SF6 Low Density Residential  
Community Plan (if applicable): Tamalpais Area Community Plan
