

PROPERTY STATUS DETERMINATION APPLICATION

PURPOSE: The purpose of this application is to provide information to the Marin County Community Development Agency which will help to determine the legal status of all buildings and/or land uses of the subject property in conformance.

APPLICATION PROCEDURE: Property owner/applicant should complete and submit this form to the Planning Division with required fees and any pertinent information. Information pertinent to a determination includes project plans, Assessor's records, and historic information such as work receipts and photographs. Planning Division staff will issue a determination after reviewing the information submitted and County records. Should this determination reveal in an illegal property status, this information will be forwarded to the Community Development Agency – Code Enforcement Section for corrective action.
