### 5.41 SHORT TERM RENTAL LICENSE REQUIREMENTS

#### 5.41.010 Purpose of Chapter.

This Chapter establishes standards that regulate short term rentals. This Chapter is enacted to ensure that short term rental activity does not adversely impact the health and safety of residents and visitors, and that such activity is conducted in a manner that preserves existing housing and communities while balancing the protection of private property rights.

This Chapter is administered by the Marin County Community Development Agency.

#### 5.41.020 Applicability.

This Chapter shall apply to short term rentals in unincorporated Marin County, except as exempt per Section 5.41.030.

#### 5.41.030 Exemption.

This Chapter does not apply to any commercial lodging use including a hotel, motel, bed and breakfast inn, or campground.

#### 5.41.040 Short Term Rental Licenses.

- A. License Required.** Advertising or operating a short term rental without a valid and current short term rental license issued pursuant to the requirements of this Chapter is prohibited. A license allows the operation of a single short term rental. Short term rental licenses are not transferable. Once a license expires or is revoked or suspended, the short term rental operation must immediately cease.
- B. License For Property Owner.** The short term rental licensee must own the property where the short term rental is located. Only one license shall be issued per short term rental property owner.
- C. License Term.** A short term rental license expires two years after the date of issuance unless the license is renewed by the licensee for an additional two-year term. The term of

the license expires immediately and automatically upon any change of ownership of the property.

**D. Administrative Procedures.** Administrative procedures for short term rental licenses shall be prepared and made publicly available by the Agency Director. These administrative procedures shall set forth the process to apply for, obtain, maintain, monitor, and renew short term rental licenses. The administrative procedures shall set forth a ministerial licensing process based on objective criteria and shall be updated periodically by the Agency Director. The administrative procedures shall be consistent with the license framework set forth in the sections below.

**1. Application Process.** An application for a short term rental license shall be submitted by the property owner or their agent (written property owner authorization and contact information is required for an agent to file the application) to the Community Development Agency.

No license application shall be accepted until the Agency Director has prepared and made publicly available the administrative procedures.

In townships where there is a cap limiting the number of short term rentals, only license applications for legal unhosted short term rentals in existence on January 1, 2024 will be accepted before July 1, 2026. Applications for properties where there is no legal unhosted short term rental in existence on January 1, 2024, will be placed on a wait list until all existing short term rentals have had the opportunity to apply for a license.

**2. License Suspensions and Revocations.** Short term rental licenses may be temporarily suspended or permanently revoked if the licensee fails to meet the standards set forth in this Chapter or the requirements of the license. Suspension or revocation pursuant to this subsection will be imposed according to the process described in the administrative procedures.

**3. License Wait Lists.** The Community Development Agency will maintain short term rental license wait lists for townships where the number of unhosted short term rental license applicants exceeds the number of available licenses. Licenses for qualifying properties on the wait list shall be issued on a first come first serve basis.

**4. Application Materials.** No short term rental license shall be issued unless the application has first been deemed complete. The administrative procedures shall specify all the information necessary for a complete application, including, but not necessarily limited to, the following:

If the property owner(s) applying for the license own/s less than a 100% fee interest in the property, then such property owner(s) must provide proof that all persons and/or entities with an interest in the property consent to such application and license. If the host is different from the property owner, their contact information must be listed as well. All adults for whom the property provides a permanent residence shall be listed.

If water use is not reduced as required, the license shall not be renewed.

5. **Public Notification.** Within five days after issuance of a short term rental license, the Community Development Agency will provide written notification to all properties within a radius of three hundred feet of the property with the short term rental.

To prove that the hosted short term rental is the primary residence of the host, the host must provide at least three of the following five types of documents at the time of initial application and renewal application: motor vehicle registration; driver's license; voter registration; a utility bill sent to the subject property; tax documents showing the property as the property owner's primary residence for the purposes of a homeowner's tax exemption; a lease showing that a host other than the property owner is renting a unit on the property on a long term basis.

**F. License for Unhosted Short Term Rental.**

A license for a unhosted short term rental shall be issued with no requirement for an onsite host, but a local contact person meeting the requirements specified in the administrative procedures shall be identified.

**G. License Issuance**

A Short Term Rental license will be issued on a ministerial basis by the Community Development Agency based on a review of whether the Short Term Rental would satisfy all the applicable requirements. Licenses can be issued with conditions ensuring compliance with the applicable requirements.

**H. License Term and Renewal.**

2. A short term rental license renewal application for an existing short term rental license must be submitted at least sixty days prior to the expiration date of the license. Upon timely submittal of a renewal application, the license will remain effective until such time the license renewal application is approved or denied.
3. Failure to submit a timely application for a renewal of an existing short term rental license shall result in that license not being renewed. In locations where there is a cap on the number of unhosted short term rentals, an unrenewed license will not be reinstated to the property owner unless there are available licenses within the cap. A property owner who fails to renew a license may join the wait list for the next available license under the cap.
4. Once a license expires, a new license is required to operate the short term rental. Renewals can only be issued for an existing license, and in compliance with this section. Conversion from a hosted to an unhosted short term rental shall require a new license. The administrative procedures issued by the Community Development Agency pursuant to this chapter may describe modifications to short term rental operations that are eligible for consideration within a license renewal.

5. A short term rental license renewal application shall be denied if there have been more than two verified substantial violations of this Chapter or of the administrative procedures related to the short term rental during the previous two year license period. Substantial violations are violations for which a complaint has been received and a code enforcement case opened with an investigation verifying the existence of the violation.

**I. License Fee.**

- i. Each short term rental license or renewal application shall be accompanied by the applicable short term rental license fee.
- ii. The fee schedule shall be established by resolution of the Board of Supervisors following a public hearing. Said fee schedule may be adjusted by resolution of the Board following a public hearing. Permits and fees required are non-refundable and are in addition to any license, permit, certificate or fee required by any other chapter of the Marin County Code or other applicable law.
