

Learn about additional housing sites under consideration in Novato's Atherton and the San Geronimo Valley.

Unincorporated Marin needs to plan for 3,569 more housing units as part of the next Housing Element update.

The County is in the process of updating the **Housing and Safety Elements** of the Countywide Plan (the County's General Plan). The Countywide Plan serves as the guiding vision for the future of unincorporated Marin.

On March 15, the Board of Supervisors and Planning Commission reviewed a refined candidate sites list provided by County staff. After direction given by the Board and Commission following community input, the units count was reduced and several candidate sites were removed from the list. To make up for that deficit, additional sites were suggested. The sites that will be presented at this meeting are new and have not yet been considered by the Board and Commission.

Join the County on **Thursday, March 31th from 6:00 – 7:00 PM** for an interactive online workshop to discuss these new sites in Atherton and the Valley. All are encouraged to attend this meeting.
