14 April 2014

Kristin Drumm
Marin County Planning
California Coastal Commission

I have had a retail store in Point Reyes Station for 23 years and oppose the rezoning which would restrict our already shortage of housing in West Marin.

I agree with the Chamber of Commerce fellow board members and in supporting the Point Reyes Station Village Association statement against this change. As a member of the Design Review committee, we recognize how this would affect the character of our community. We want a friendly balance in our towns.

Thank you

Melanie Stone
