Dear Board of Supervisors,

I am writing to voice my strong support of BCPUC letter concerning the resubmittal of the Local Coastal Program. I strongly support the protection of the coast that is the primary goal of the California Coastal Commission. Nevertheless, the LCP also needs to be cognizant and respectful of the unique characteristics and circumstances of coastal towns.

The recommendations proposed by BCPUD provide a beneficial balance between the goals of the Coastal Commission and the needs and interests of our community.

Thank you

Chris Weare
