Subject: Re: Coastal staff draft changes to Marin's LCPA now available for comment

Hello,

The National Park Service at Golden Gate National Recreation Area and Point Reyes National Seashore are interested in potentially submitting comments on this set of draft suggested modifications. We notice that there was no set of dates or length of time mentioned for this comment period, can you confirm what date comments must be submitted by, and if there will be future opportunities to submit comments on these suggested modifications?

Thank you in advance for this clarification.
