Re: Re-submittal of Local Coastal Program (LCP) ---- Land Use Plan Amendments (LUPA) and Implementation Program Amendments (IPA) to California Coastal Commission.

Dear Marin County Board of Supervisors,

My name is Sidney Baskin and I am speaking for the West Marin Sonoma Coastal Advocates (WMSCA). In addition to the written communication we have sent you, I would like to add the following:

It is WMSCA's understanding that the proper legal administrative procedure for the proposed changes and exemptions included in proposed policies C-EN-4 through C-EN-6 were disregarded. Any proposed changes to the Local Coastal Program Amendment should have initiated with the Marin County Planning Department's review and analysis, the Department's publicly issued written recommendations available for public comment, noticed public hearings before the Marin County Planning Commission regarding the same, and only then, noticed public hearings before the Marin County Board of Supervisors.

Respectfully submitted,

Sidney N. Baskin
Member, WMSCA
