Marin County to Host Workshop on Land Use Regulatory & Customer Service Improvements

Event to take place March 7th at County Civic Center

What:

The County of Marin recently initiated a process to identify and evaluate strategies for more efficiently reviewing development projects in the unincorporated county that are consistent with the Marin Countywide Plan and other important land use and zoning regulations. The process is spearheaded by an Advisory Committee that will identify opportunities to reduce bureaucracy, achieve a more timely process for reviewing development proposals, and allow for greater consumer choice and flexibility for permit-related services. Advisory Committee findings and recommendations will be presented to the Board of Supervisors for consideration and possible action.

Who: County of Marin Community Development Agency (CDA)
Regulatory Improvements Advisory Committee

When: Thursday, March 7, 2013, 6:30 pm – 8:30 pm

Where: Planning Commission Chambers, Marin County Civic Center
3501 Civic Center Drive, Suite #328, San Rafael, CA 94903

Why:

The purpose of this workshop is to update the community on the process and to provide an opportunity for the public to provide input on strategies for facilitating development review and improving customer service. Please come to the workshop to share your experience and provide recommendations to the County!
