

Want to get involved?

Here are 6 things you can do:

- Join our SeaChange SMC Facebook Group to stay up to date on our program: www.facebook.com/groups/SeaChangeSMC
- Host or attend future Sea Change SMC community events to share sea level rise information in your community.
- Participate in planning efforts in your community such as General Plans Local Coastal Programs and Climate Action Plans.
- Opt up to 100% renewable energy with Peninsula Clean Energy: www.peninsulacleanenergy.com/opt-up/
- Join a Community Emergency Response Team to help your neighborhood respond in a flood or emergency. <https://smccacert.samariteam.com/>
- Participate in the CA King Tide Photo Initiative and take photos of areas that are flooded and post to CA King Tides Flickr page.
