

2023 Rebates and Tax Incentives for Efficiency and Electrification Single-Family Home Retrofits and Appliance Swaps

Green Building
Fact Sheet
No. 5

The following retrofit projects are eligible for rebates and federal tax incentives in 2023. Please visit the program websites for details. You can contact the Marin County Sustainability Team with questions on your project and the available rebates.

www.marinsustainability.org | energy@marincounty.org

Measure	Electrify Marin Rebate Program marincounty.org/electrify	BayREN Home+ Rebate Program bayren.org/residential
Heat Pump Water Heater	\$1,000 - \$2,000	\$1,000
Central Heat Pump Space Heater (Ducted)	\$1,000 - \$2,000	\$1,000
Heat Pump Mini-Split (Ductless)	\$800 - \$1,600	\$1,000
Attic Insulation \geq R-44 (Includes Attic Air Sealing)	NA	\$0.75 / ft ² (up to \$1,000)
Wall Insulation \geq R-13 (2x4 framing) or \geq R-19 (2x6 framing)	NA	\$0.70 / ft ² (up to \$1,000 per home)
Building air sealing \geq 30% total leakage reduction (must be combined with another upgrade)	NA	\$150
Duct sealing \leq 10% total leakage (Ducts or Furnace/Air Handler/FAU located in garage disqualify this measure)	NA	\$200
Duct Replacement \leq 5% total leakage	NA	\$800
High efficiency split central air conditioner \geq 17 SEER	NA	\$800

2023 Rebates and Tax Incentives for Efficiency and Electrification Single-Family Home Retrofits and Appliance Swaps

Green Building
Fact Sheet
No. 5

Measure	Electrify Marin Rebate Program marincounty.org/electrify	BayREN Home+ Rebate Program bayren.org/residential
Service Panel Upgrade	\$500 - \$1,000	NA
Induction Stove/Cooktop	\$250 (cooktop only) \$500 (cooktop and oven)	\$750
Heat Pump Clothes Dryer	NA	\$300

Eligibility Information:

BayREN Home+:

- Projects must be complete by a BayREN participating contractor.
- Rebates for gas-saving measures are only available to PG&E natural gas customers (propane customers are ineligible)
- **bayren.org/residential** | Energy Advisor Line: (866) 878-6008

Electrify Marin:

- Propane and PG&E natural gas customers are eligible
- Electrify Marin and BayREN Home+ rebates can be combined
- Applicants can use any licensed contractor, permits are required
- **marincounty.org/electrify** | energy@marincounty.org | (415) 473-3069

Inflation Reduction Act Federal Tax Incentives

Measure	Federal Tax Incentive
Home Battery Storage	30%
Electrical Panel	\$600
Heat Pump Space Heater	\$2,000
Heat Pump Water Heater	\$2,000
Weatherization	\$1,200

IRA tax incentives can change based on income and location. Visit RewiringAmerica.org for IRA savings calculator tool and to see all qualifying projects. Consult your CPA or tax professional.
