

## **A Time To Reflect**

Missing the feeling of being free  
Behavior depends on me  
Did what I did now I gotta pay a fee  
Askin' myself how I let my actions  
Speak louder than my words  
In and out of court and got final results  
Wasn't ready for the worst  
But the Lord has kept me strong  
Feels like a long road ahead  
Letting shhh that I don't have control over  
Get in this mindset  
I ain't going nowhere  
Leaving the past alone and going forward  
With my life  
I got nineteen days left and I'm hyped  
Crazy when I look back  
I got a lot of things to work on  
But I'll get where I need to be  
And that's a fact  
Gotta lack of patience  
But practice makes perfect  
Making the best out of this situation  
Before it gets hectic  
Conviction leading me through a dark tunnel  
To see the light
