

Calm And Happy

I want to thank myself 'cause I stayed calm and happy for the most part while looking at ten months, while looking at an unbeatable case, even when the DA requested to change me to the feds.

I just gotta hope for the best and be prepared for the worst. Always realize you gonna get out sooner or later and keep a good attitude. Time will go by fast. I'm two days from my release already. Time flies when you keep your head up.
