• DRAFT FY 2021/2022 Annual Statement of Investment Policy (Action: Review & Monitor)
  Motion by Dan Eilerman to review and monitor the 2021/2022 Annual Statement of Investment Policy

  Roy Given told the committee that there are few changes to the policy, which is gone through each year, unless there are changes in the law. There have been no changes in the law and no market changes to address.

  Included with the investment policy is the Nuclear Free Ordinance in which no investments are allowed with companies connected with nuclear weapons or nuclear power (e.g., GE). A report on investments must be made to the Peace Conversion Commission.

  Also included is the County’s Disaster Continuity Plan. Tests have been conducted offsite to see how it would operate. San Francisco has presented the County’s plan as an example plan to the state.
