ABOUT THE POSITION:

To be considered for the Marin County Fire Department's position of Firefighter-Paramedic-Lateral, you must possess one year of paid, post-probationary, full-time experience at a level comparable to, or higher than, a Marin County Firefighter Paramedic, and currently employed in this capacity.

We believe that it's our differences that make us stronger and our values that unite us as one. We are looking for exemplary firefighter-paramedics who are passionate about working together to save lives, fight wildland fires, and commit their time and dedication to serving the community. If you enjoy working in a diverse, fast-paced environment and have a desire to learn and grow within a supportive organization, then come work for the Marin County Fire Department.

In this role you are initially given direct and detailed supervision and training which includes delivery of medical care within the guidelines of Emergency Medical Technician Paramedic licensure, as well as firefighting duties and responsibilities. After successful completion of training, firefighter-paramedics are expected to perform the full range of emergency and rescue activities.

The eligible list established from this recruitment will be used to fill any current or future the Firefighter-Paramedic vacancies for open, fixed-term, full-time or part-time positions that may occur in this assignment while the list remains active. Eligible lists remain active for a minimum of six (6) months.

ABOUT YOU:

Our Highly Qualified Candidate has experience assuming responsibility for patient care and performing advanced life support medical care and treatment at the scene of a medical emergency. The ideal candidate has experience performing Structural and Wildland Fire Suppression. The ideal candidate has experience performing rescue operations and experience performing emergency medical procedures. In addition, the ideal candidate has earned an associate degree or a four-year degree at an accredited college or university and has completed college level coursework taken in fire science or a related field. Possession of a valid Pediatric Advanced Life Support (PALS) certificate is ideal. The ideal candidate for this position will have personal and professional integrity, be highly organized, possess excellent communication and interpersonal skills, approach their work with enthusiasm, and demonstrate a strong commitment to customer service.

Additionally, the following CICC or NWCG qualifications are highly desired:

- Field Observer (FOBS)
- Crew Boss (CRWB)
- Task Force Leader (TFLD)

MINIMUM QUALIFICATIONS:

- High school graduation OR equivalent (GED).
- In accordance with state legal requirements, must be at least 18 years of age by the application filing deadline.
- One year of paid, post-probationary, full-time experience at a level comparable to, or higher than, a Marin County Firefighter Paramedic, and currently employed in this capacity.

CERTIFICATES:

- Firefighter I Certificate issued by the California State Fire Marshal **OR** Firefighter I Academy Certificate of Completion from an approved California State Fire Marshal program.
- A valid Advanced Cardiac Life Support (ACLS) Certificate.
- A valid California Emergency Medical Technician Paramedic (EMT-P) license issued by the State of California.
- A valid Healthcare Provider CPR certificate issued by a training center approved by the California Emergency Medical Services Authority. (Healthcare Provider cards issued by the American Heart Association and the American Red Cross meet the CPR requirement.)

Candidates must attach, and clearly label/identify, to the application all Certificates listed above. Applications that do NOT include the above list of documents will be automatically disqualified from the recruitment.

SPECIAL REQUIREMENTS: Required to work 24-hour shifts, overtime, weekends, on call, and holidays; work at any station in the County on short notice; perform routine and repetitive work; attend meetings and classes both on and off duty; work under various adverse and hazardous conditions; wear uniform; assist in training other employees; and maintain clean and neat appearance.

The ability to secure the following certificates and license are required at the time of hire:

- Marin County Emergency Medical Services accreditation
- A valid California Class C driver's license
- California Physical Ability Test (CPAT) card

Candidates selected are subject to fingerprinting by the Sheriff's Department and must pass a California Department of Justice LiveScan, a background check, pre-employment Psychiatric Assessment, and medical prior to appointment.

DRIVER'S LICENSE: Ability to drive is an essential function of this assignment. Successful candidates must possess a valid California Class C driver's license. Submission of a satisfactory driving history obtained from the Department of Motor Vehicle within the last 6 months will be required at the selection interview. A valid California Class B Commercial driver's license must be obtained within 12 months of appointment. Successful applicants are responsible for maintaining all licenses and certifications throughout employment with the County.
