Re: Grand Jury Report titled “Marin’s Hidden Human Sex Trafficking Challenge”

Dear Mr. Hamilton-Roth:

Please see below for the City of Belvedere’s update on the City’s response to the Grand Jury’s recommendations R1, R2, R3, and R4, as requested in your letter of February 1, 2017:

Recommendation R1. All law enforcement officers should be consistently trained in the Marin County Uniform Law Enforcement Protocol for Human Trafficking.

City of Belvedere: Officers have received training in the Human Trafficking Protocol.

Recommendation R2. All Marin law enforcement agency heads should ensure their officers receive the California mandated two hour human trafficking training.

City of Belvedere: Officers have completed the POST mandated human trafficking training.

Recommendation R3. The Board of Supervisors should convene a local group of human trafficking experts (include CFS, law enforcement subject experts, FBI, victim advocates, DA’s, and perhaps a victim) to create a multidisciplinary training presentation. This training should include the unique roles of all County personnel, resources, and process sin in addressing human trafficking. Additional resources will be needed to support this training as none are devoted to this task now. This training should include information on trafficking of females and males, as well as LGBTQ.

City of Belvedere: The County of Marin does have a Human Trafficking Coalition that meets regularly. The training presentation has not been created.

Recommendation R4. Once this multi-disciplinary training package is completed, Marin County law enforcement agencies should ensure that all Marin law enforcement officers be training.

City of Belvedere: Awaiting completion of R3.

Sincerely,

Beth Pollard
Interim City Manager
