Re: 911 re: Marin's Human Sex Trafficking Grand Jury Report/response

In response to your letter dated February 1, 2017 addressed to Town Manager Garrett Toy, please accept this letter as a response to your request.

Recommendation R4 will still be implemented in the future. As indicated in our initial response, the ability to implement this by the Fairfax Police Department/Town of Fairfax is dependent on the training being made available, which to our knowledge has not been implemented as suggested Recommendation R3 of the Grand Jury report. To date, they have not scheduled or offered this training.

Sincerely,

Christopher E. Morin
Chief of Police
