August 10, 2016

The Honorable Kelly V. Simmons
Marin County Superior Court
P.O. Box 4988
San Rafael, CA 94913-4988

Dear Judge Simmons and Mr. Mann:

Attached are the joint responses of the Marin County Board of Education and the Marin County Superintendent of Schools to the 2015-2016 Marin Civil Grand Jury Report entitled *Marin's Hidden Human Sex Trafficking Challenge: It's Happening in Our Backyard* that was released on June 23, 2016.

While Grand Jury reports address important issues, practices and conditions in our community, this subject is one which is no doubt "below the radar" of many residents in Marin County. It is a subject which many of our residents simply do not associate with our County. Yet, it is one that affects young people and their families most profoundly. We commend the Grand Jury for providing the background and information as well as providing findings and recommendations on a topic that is destructive to the very foundation of our civil society.

In response to the specific Findings and Recommendations in this report, it should be noted that schools do not have sufficient information or expertise to serve as a basis for a response to the specific items. While we have addressed the issue in a number of ways, there is more we can do and we are committed to working with our schools districts and community partners to expand our support in this area. We will report back to the 2016-2017 Marin Civil Grand Jury on what actions have been taken by December, 2016.

We continue to appreciate the efforts of the Grand Jury and the time and commitment made by the members of this important body. You can be assured of our partnership continuing with Grand Juries yet to come.

Sincerely,

ROBERT K. GOLDMAN, President
Marin County Board of Education

MARY JANE BURKE
Marin County Superintendent of Schools

FINDINGS

F-1 through F-13:

Response:

Agree with all findings, assuming the facts as set forth in the Grand Jury’s Report are accurate.

RECOMMENDATIONS

"You've heard about it, you've read about it in
the news. And you just don't want to know.
But children and youth everywhere are poten-
tial victims of commercial sexual exploita-
tion: sex trafficking...modern day slavery.

"Traffickers are adept at targeting vulnerable
children and luring them into the horrors of
'the Life'. Unfortunately, their recruiting and
grooming tactics have evolved, becoming
more subtle and sophisticated. Join us to
learn about these tactics and how to identify
and prevent such victimization."
