**Re: Grand Jury Report: Marin's Hidden Sex Trafficking  
Challenge: It's Happening In Our Backyard**

Dear Mr. Mann:

The Marin County Police Chiefs' Association thanks the Grand Jury for its invitation to respond to the contents of its June 16, 2016 report on the above-subject.

While the Association in many respects agrees with the importance, finding, and recommendations contained within the report, the Association's members and their agencies/public entities each have been formally requested by the Grand Jury to respond, pursuant to Penal Code Section 933, or have been individually invited to respond. Thus, the more-detailed input and individual responses of the Association's members will better serve the Grand Jury than the Association's more general response attempting to synthesize or summarize collectively the various responses of its membership.

The Association appreciates the Grand Jury's significant contributions to both reporting upon and substantively addressing the subject problem.

Very truly yours,

Chief Patricia Seyler-Campbell, President  
Marin County Police Chiefs Association
