Re: Update on Recommendation R5 of the report titled, "Marin's Human Sex Trafficking Challenge: It's Happening In Our Backyard"

Dear Mr. Hamilton-Roth:

I am responding to your request for an update on the implementation of Recommendation R5 of your report titled, "*Marin's Human Sex Trafficking Challenge: It's Happening In Our Backyard*".

Regarding Recommendation R5, we have completed initial awareness level training for our emergency response personnel in this program. This includes the following:

- DHS First Responder Awareness Presentation
- Commission on Peace Officer Standards & Training (POST) Human Trafficking: Identity & Respond Scenario DVD Presentation
- DHS Coffee Break Training Human Trafficking
- Mandated Reporting Procedure (HHS)

The Southern Marin Fire District delivered this training through our previously established and State-Certified Instruction program, which documents and validates this training through our Learning Management System and Training Records Management Systems.

The District has added the Human Trafficking Awareness training to our annual training calendar.

Sincerely,

Cathryn Hilliard
President, Board of Directors
Southern Marin Fire Protection District
